

## Fabulous Limelitters to perform Thursday as part of Chipola Artist Series

The Fabulous “Limelitters” will perform, Thursday, Nov. 9, at 7:30 p.m., in the Chipola College Theater as part of the Chipola Artist Series.

The Limelitters launched their career in 1959 at San Francisco’s famous Hungry I and before long, founding members Alex Hassilev, Lou Gottlieb and Glenn Yarbrough emerged as one of the dominant voices of the early 1960’s folk music scene.

A string of best selling albums and frequent appearances on every major TV show quickly made them a household name. For three years they were the musical representatives for Coca-Cola, and their rendition of the jingle “Things Go Better with Coke” became a national hit. In addition there were endless tours with standing room only crowds.

Two more events are slated in the Artist Series: **Theatre of Illusion magic show, Jan. 29, 2007,** and **The Orlando Opera**

## Chipola to host meeting for prospective Masonry program

Chipola will host a Masonry Summit and Dinner, Thursday, Nov. 9, to explore the possibility of a Masonry Apprentice Program.

Chipola is joining with the Florida Masonry Apprentice and Educational Foundation for the 6 p.m. dinner in the Continuing Education Conference Center on Chipola’s campus.

According to Chipola Workforce Dean Bud Riviere, Chipola is responding to a specific need in the construction industry pertaining to the opportunity for training and employment in the masonry industry.

Masonry contractors and subcontractors in the Florida panhandle as well as those from Alabama and Georgia are invited to

participate in the meeting and to commit to sponsoring employees in the apprentice training program.

Members of the Florida Concrete Products Association, the Masonry Association of Florida, representatives of Florida’s Great Northwest, the Chipola Regional Workforce Board and the Florida Department of Education will be in attendance

Chipola has committed space and resources to help jump start the program. Riviere says, “This training program will afford the student apprentice an outstanding opportunity to obtain gainful employment in an area of great unmet need in this region. Chipola is pleased to collaborate in this effort.”

Savannah Whigham was in the Talent Search Program at Ponce de Leon High. She is now a freshman nursing major at Chipola with a part-time job at the college. She plans to earn a BSN and MSN at FSU. Whigham said, "I just don't know where I'd be today without all the direction that I was given through this program."

With assistance from Talent Search, both students selected a college major, qualified for Bright Futures, and applied for financial aid and scholarships, all prior to high school graduation.

Chipola's **Talent Search** program will continue to provide services to first-generation college-bound students in area middle and high schools thanks to a recent **\$1,032,000 grant for four more years.**
