Chipola announces Fall Mini-Term

As a convenience to area residents, Chipola College will offer a Fall Mini-Term beginning October 18.

The short term, featuring eight-weeks of classes instead of the typical 16-week semester, includes some 18 classes which meet once a week. Registration for the Mini-Term begins October 9. Classes will run Oct. 18 – Dec. 13.

Chipola president Dr. Gene Prough said, "If you missed the Fall Semester registration, or chose not to enroll because of high gas prices, the mini-term offers the option of fewer class meetings."

The October short term is designed to assist those who are working toward completing classes in the Associate in Arts, Associate in Science and Associate in Applied Science degree programs.

"We are continuously seeking ways to help more people attend college and to obtain a degree," said Chipola vice-president Dr. Sarah Clemmons. "This mini-term will help our students to plan courses around their busy schedules with work and family."

Nearly 2,000 students are currently enrolled in the full Fall semester at the college.

The State Employee Fee Waiver program may be used to cover tuition.

Chipola's 'I Hate Hamlet' opens Nov. 2

Tickets for the Chipola College production of "I Hate Hamlet," go on sale Oct. 19 in the college Business Office. The Paul Rudnick comedy opens a four-day run, Nov. 2.

Tickets—\$7 for adults and \$5 for students—are available weekdays in the college Business Office from 8 a.m. to 3:30 p.m. Chipola students and employees get one free ticket.

For the courtesy of all theatre patrons, no one under age 5 will be admitted. Recommended age for the subject matter is 13 and up.

"I Hate Hamlet" tells the story of a young and successful television actor who relocates to New York, where he rents a marvelous, gothic apartment. With his career in limbo, the actor is offered the opportunity to play Hamlet onstage, but there's one problem: He hates Hamlet. There are, however, a couple of glitches in paradise. Andrew's series has been cancelled; his girlfriend is clinging to her virtue with unyielding conviction; and he has no desire to play Hamlet. When Andrew's agent visits him, she reminisces about her brief romance with John Barrymore many years ago, prompting a séance that summons Barrymore's ghost. The action becomes more hilarious with the entrance of Andrew's deal-making friend from LA, spouting the laid-back hype of the Coast and offering Andrew a fabulous new TV deal worth millions. The laughs are nonstop as Andrew wrestles with his conscience, Barrymore, his sword, and the fact that he fails as Hamlet in Central Park.

For ticket information, call 850-718-2220.

Apalachicola Riverkeeper meeting set at Chipola

Chipola College will host a discussion of the Apalachicola River, Thursday, Oct. 5, at 6:30 p.m., in the Chipola Arts Center. Dan Tonsmeire, Executive Director of Apalachicola Riverkeeper, and Helen M. Light of the U.S. Geological Survey, will discuss their work to protect the river and its tributaries.

The Apalachicola Riverkeeper is a grassroots environmental advocacy organization dedicated to the protection and preservation of Florida's most endangered river and estuary—the Apalachicola—including its tributaries: the Chipola, the Brothers and the Little St. Marks. The group also is partnered with 1000 Friends of Florida on regional issues and the Waterkeeper Alliance on national issues.

Dan Tonsmeire, was recruited to fill the Apalachicola Riverkeeper position in 2004. He spent 15 years as a water resource planner with the Northwest Florida Water Management District where he was the principal planner for the development and implementation of the Northwest Florida Surface Water Improvement and Management Program on the Apalachicola Bay and River.

In prior years Dan was resident manager for the 1,250-acre Jeff Lewis Wilderness Preserve on Dog Island, Florida where he facilitated and coordinated research and Program Development for The Nature Conservancy. In addition he has had hands-on experience as a backcountry guide in Idaho, a commercial fisherman in Alaska, and an owner and operator of a small construction com-

pany in Alabama and Florida. Dan graduated in Civil Engineering from Auburn University and currently holds a USCG Ocean Operators license and Florida Real Estate license.

Thursday's event is part of an ongoing lecture series slated in conjunction with the "Apalachicola River: An American Treasure," exhibit now on display in the college Arts Center.

Guests will have the opportunity to view the exhibit of large black and white photographs by Clyde Butcher and Richard Bickel, and the documentary film by Elam Stoltzfus. The show also is open to the public, weekdays, 8 a.m. to 3:30 p.m.; Thursdays, 6 to 9 p.m. and Sundays, 2 to 4 p.m., through Oct. 12.

On Wednesday, Oct. 11, at 10 a.m., Dr. Steven J. Herrington, Apalachicola River and Bay Project Coordinator with the Nature Con-

servancy will discuss protection of natural resources in the Panhandle.

On Thursday, Oct. 12, 6:30 p.m., musician Sammy Tedder will perform original music and discuss hand-made instruments.

The Apalachicola exhibit is made possible locally by the Chipola Area Board of REALTORS®, the Marianna Automobile Dealers Association, the Jackson County Tourist Development Council and Friends of the Florida Caverns. Members of the Chipola Regional Arts Association and the Artists Guild of Northwest Florida are hosting the exhibit.
