Solid Brass to open Chipola Artist Series Monday

"Solid Brass" opens the 2005-06 Chipola College Artist Series, Monday, **Sept. 26, at 7 p.m.**, in the college theater.

A limited number of tickets may be available at the Theater box office 30 minutes before the show.

Described as sophisticated, inspiring and entertaining, the "Solid Brass" ensemble is recognized by audiences and critics alike as one of the premier brass groups in America. Members of the ensemble are some of the New York's finest musicians who have performed at Lincoln Center with the Metropolitan and New York City Opera orchestras and N.Y. City Ballet orchestra. With ten brass players and a percussionist,

Solid Brass is the only ensemble of its kind in North America. The glorious sound of

Solid Brass and its rapport with audiences provide a great concert experience.

Season tickets for four-event series

are on sale through Sept. 26 in the college Business Office. Three other events include: The Cracker Barrel Old Country Store Southeastern Tour of A Sanders Family Christmas on Nov. 28; Pianist Nadejda Vlaeva, Jan. 17 and The Core Ensemble presents "Tres Vidas," April 3.

The Artist Series is funded through Chipola's Performing Arts Fund, with grants from the National Endowment for the Arts, the Southern Arts Federation, the Florida Division of Cultural Affairs, the Chipola Regional Arts Association and corporate donors.

Former Chipola player called up to majors

Former Chipola College baseball player Jose Bautista is in the big leagues playing for the Pittsburgh Pirates.

The 6-0, 190 pound, third-baseman, from Santo Domingo, Panama, has

played in five straight games for the Pirates, logging a .214 average.

Bautista signed with the Pittsburgh Pirates in May of 2001. After several trade deals leading up to the 2004 season, Bautista hit .205 with three doubles and two RBI in 64 major league games with

four different teams—Baltimore, Tampa, Kansas City and Pittsburgh.

Chipola baseball coach Jeff Johnson predicted Bautista's future in 2001, when he said, "Jose is a great kid. He's got some great tools and he has a very good chance of making it to the big leagues. He's also a kid with excellent character and class."

Bautista led Chipola's 2001 squad in homeruns with 15 and was fifth on the state list. He finished the 2001 year with a .326 batting average including 15 doubles, 15 hr, and 47 RBI's, and 12 stolen bases. Bautista also made 16 pitching appearances on the year with five saves. He was the winning pitcher in Chipola's 5-3 win over Okaloosa-Walton that gave the Indians the 2001 Panhandle Conference championship.

He led Chipola to a second place finish in the State Tournament, and was named tournament MVP after pitching an entire nine-inning game in Chipola's 8-4 win over St. Pete in game three. He amassed a 7-1 pitching mark, striking out 25 batters in 33 1/3 innings, and chalking up a 2.43 ERA.

Former Auburn coach to speak to Chipola boosters

Chipley native Cliff Ellis, one of college basketball's all-time most successful coaches, will return to his alma mater Thursday, Sept. 29, to speak to the Chipola College Appreciation Club.

"It's entirely fitting that one of the best college coaches in history will come back home to speak to the members of one of the most successful junior college booster clubs in America," said Appreciation Club President Robert Trammell. "We look forward to having a big crowd to hear Cliff at our kickoff meeting for the 2005-06 year."

Ellis' 534 victories rank him 29th on the

list of all-time career coaching victories in Division 1 basketball. He was national coach of the year in 1999 at Auburn University, when his Tigers won 29 games and captured the school's first SEC championship in 40 years. In 1990 he coached Clemson to its only ACC title in history and his South Alabama teams won Sun Belt Conference regular-season championships in 1979, 1980 and 1981. At both Clemson and South Alabama he holds school records for coaching victories and he is the second-winningest coach in Auburn history.

After receiving degrees from Chipola (AA) where he was a member of the golf team; and Florida State University (BS), Ellis began his coaching career in 1968 in Niceville – first at Ruckle Junior High and later at Niceville High School. He coached one year at Ocala Vanguard High and received his MS degree from Middle Tennes-

see State University before beginning his college coaching career in 1972 at Cumberland University in Lebanon, Tenn. He coached at South Alabama from 1975 to 1984, at Clemson from 1984-1994, and at Auburn from 1994-2004.

"I look forward to visiting with the Chipola Appreciation Club," Ellis said. "Their record of supporting successful junior college athletic programs is one of the best in the country. Chipola has always been a winner and I'm proud to have gotten my start there."

The Sept. 29 meeting will be held at the Marianna home of Ronnie and Kitty Myers, beginning with a 6 p.m. social hour followed by dinner at 7:00.

All current and prospective Appreciation Club members are welcome to attend.
