Chipola Arist Series season tickets on sale

Season tickets for the 2006-07 Chipola College Artist Series go on sale Wednesday, Sept. 6, in the college Business Office located in Building A.

The four-event series opens Sept. 26 with “The Tallahassee Ballet.” The troupe will present an evening of classical and contemporary dance works performed to the music of Bach, Schubert and Schumann. The program will draw from works by renowned choreographers Danielle Genest, choreographer and dancer from New York City; FSU Department of Dance Professor Rick McCullough; TTB’s Resident Choreographer Dr. Kathryn Cashin, and Henry Hernandez, TTB’s new Artistic Director. Audiences also will enjoy classical favorites such as variations from The Nutcracker and TTB’s new ballet, Beauty and the Beast.

The Fabulous “Limeliters” will perform Nov. 9. The Limeliters launched their career in 1959 at San Francisco’s famous Hungry I and before long, founding members Alex Hassilev, Lou Gottlieb and Glenn Yarbrough emerged as one of the dominant voices of the early 1960’s folk music scene. A string of best selling albums and frequent appearances on every major TV show quickly made them a household name. For three years they were the musical representatives for Coca-Cola, and their rendition of the jingle “Things Go Better with Coke” became a national hit. In addition there were endless tours with standing room only crowds.

Theatre of Illusion comes to Chipola, Jan. 29. For more than a decade, Kevin and Cindy Spencer have dazzled the world with their stage magic and breath-taking illusions. As stars of one of the most successful touring productions on the road today, the Spencers appear in a different city nearly every day. Audiences cross over a threshold of disbelief and are captivated moments after the pair takes the stage. The Spencers create “theatre” in the truest sense of the word and a powerful theatrical experience that audiences will never forget.

The Orlando Opera Company presents “Passion, Power, & Peril,” on April 9, 2006. Audiences will experience extraordinary vocal music in this full-featured program, highlighting great classics from Opera, Operetta, and Broadway. Starring Orlando Opera’s resident artists, these young, rising stars bring the magic and power of opera to audiences across Florida. Highlighting the overall spectacle of Grand Opera, the show features beautiful costumes, sets and props, as well as some of the most endearing operatic and music theater selections ever written.

The Chipola Artist Series is funded through Chipola’s Performing Arts Fund, with grants from the National Endowment for the Arts, the Southern Arts Federation, the Florida Division of Cultural Affairs, the Chipola Regional Arts Association and corporate donors.

Season tickets—$40 for all four events—entitle holders to same seat reserved seats, invitations to the “Meet The Artist” receptions, subscriptions to the CRAA arts calendar, and early ticket renewal next year. A limited number of individual event tickets—$12 for adults and $8 for ages 18 and under—will be available prior to each performance at the Chipola Business Office.

For season tickets, call the Business Office at 718-2220.
Chipola receives $500K in Succeed-Florida grants

Chipola College president Dr. Gene Prough on Wednesday announced that the college will receive $500,000 in Succeed Florida grants from the Florida Department of Education.

“Today is an important day for our students and future students,” Prough said. “These Succeed Florida grants will create valuable opportunities for people who want to become teachers or automotive technicians.”

Florida Rep. Marti Coley also was on hand for the Chipola press conference. The 2006 Florida Legislature approved some $33 million in funding through the Succeed Florida legislation.

Chipola’s new Educator Preparation Institute received $294,000 from Succeed Florida. Dr. Kitty Myers, Chipola Vice President of Instruction and Baccalaureate Programs, says, “This is great news for anyone with a bachelor’s degree who is interested in entering the teaching field.” The Educator Preparation Institute is a program for college graduates with a bachelor’s degree—in a subject other than education—who want to become Florida certified teachers. The year-long program offers courses leading to certification in: math education, science education, exceptional student education and elementary education. The college also received $37,000 to continue a program to encourage public school para-professionals to earn bachelor’s degrees in middle school math or middle school science.

Chipola’s award-winning Automotive Technology program also received $168,839 from Succeed Florida to expand the facilities and increase enrollment. The college’s master-certified National Automotive Training Education Foundation (NATEF) program utilizes a three-step training approach which includes classroom, computer laboratory, and shops/dealerships to ensure student success and 100% mastery of each skills area.

Instructor John Gardner said, “This is technologically-sophisticated industry that is changing daily. We depend on a competitive training environment along with strong industry partners to ensure success for our students and valuable employees for the industry.” Persons interested in Chipola’s teacher education program, should contact Dr. Kitty Myers at 718-2260. For information about Automotive Technology, contact John Gardner at 718-2306.

Taylor donates environmental collection to Chipola

Chad Taylor, a member of the Blue Springs Working group, recently donated a collection of environmental materials to the Chipola College Library.

Many of the items in Taylor’s donation deal specifically with Jackson County.

The Blue Springs Working Group, funded by the Department of Environmental Protection, welcomes donations of historical and environmental materials related to Blue Springs. The purpose of the group is to educate stakeholders about the spring basin and implement tasks to protect surface and groundwater flowing to the spring.

The public is invited to the next meeting of the Working Group, Thursday, Sept. 21, from 9 a.m. to 2 p.m., in the Chipola Arts Center. Guests will have will have an opportunity to view the Apalachicola River exhibit and documentary film.

For information, call Vicki Mathis at 850-718-2289.

Traynom is Chipola’s Career Employee of the Year

Joyce Traynom, Executive Assistant in the Chipola College President’s Office, has been named Chipola’s Career Employee of the Year for 2006.

Traynom has served under four presidents: Dr. Bob Richburg, Dr. Jerry Kandzer, Dr. Dale O’Daniel and Dr. Gene Prough, as well as two interim presidents: Dr. Don Dellow and Dr. Gene Prough.

Traynom is an active member of the Chipola Chapter of the Florida Association of Community Colleges. She was elected State FACC President in 2000, and has served as State Region One Director in 1991 and 1992; State Chair of Member Services in 1993 and State Chair of Award Services in 1998. She is an important volunteer in FACC’s Concessions program which raises thousands of dollars for a local scholarship endowment.

Traynom’s supervisor Dr. Gene Prough said, “Joyce is an outstanding employee. She is very professional and treats everyone with kindness. Her service to the college and the board of trustees is extremely important.”

Traynom has three children and ten grandchildren. She enjoys gardening, Atlanta Braves baseball, fishing and Chipola sports and performing arts events.

The Employee of the Year recognizes the exceptional work of Chipola’s career service employees. Candidates are nominated by fellow employees for exhibiting courtesy, motivation and professionalism. Annual winners receive a $1,000 bonus, reserved parking for a year, a one-year membership in FACC, and a $100 gift certificate from the college Book Store.

Campus organizations help March of Dimes

Chipola College organizations will be selling the March of Dimes Walk America, Saving Babies Together, paper tennis shoes. For a donation of $1 your name will be placed on the shoe and displayed on campus. Funds raised from this sale will provide public education materials for schools and clinics, or can help researchers find the causes of birth defects.

Nancy Johnson has MOD shoes available for any Chipola College organization that wants to participate. The organization that sells the most shoes will be treated to a pizza party by Student Activities. All money must be turned in by Sept. 18 to the Student Activities Office in Bldg. K-104.
