## Herring is CJC Career Employee of the Year

Wayne Herring of Marianna was recently chosen Chipola Junior College's Career Employee of the Year for 2001-02.

Herring serves as Maintenance Repairman in the Physical Plant. He began working at CJC in 1980.

Herring is a member of the Chipola Career Employees Association and has served on the Governance Council and various college committees. As a winner of the award, he was appointed to serve on the Career Employees Awards Committee.

He says, "I'm honored to receive this award. I work alongside five of the best guys anywhere. Even though I received this award individually, I feel that my co-workers received it as well because we work as a team. Since two employees in the Physical Plant have won this award in the past two

years, I think that speaks highly of our department."

Sonny Wise, director of Physical Plant, says, "Wayne is a very valuable employee who keeps a lot of things working on campus. His good attitude helps make our work a lot more enjoyable."

In his spare time Herring enjoys officiating high school football and basketball games. He also serves as a deacon at Bethel Star Missionary Baptist Church. Herring and his wife Regena, a teacher at FCI, have a son Maurice, a site manager for the About Face program in Jacksonville.

The Employee of the Year recognizes the exceptional work of CJC's career service employees. Candidates are nominated by fellow employees for exhibiting courtesy, motivation and professionalism. Annual winners receive \$1,000 bonus, reserved parking for a year, a one-year membership in FACC, and a \$100 gift certificate from the CJC Book Store.
