### Chipola to dedicate new Academic Hall of Fame

Chipola officials will dedicate the college's new Academic Hall of Fame, Monday, Aug. 12, at 9:15 a.m., in the foyer of the CJC Literature/Language Building.

Three CJC alumni—Stephanie Crisp, Andrea Bruner and Cherra Pumphrey—were inducted as charter members of the new Academic Hall of Fame earlier this year. Portraits of the inductees will be unveiled during the dedication.

The Hall of Fame recognizes CJC students who have earned national honors for their commitment to scholarship and service. Crisp, Bruner and Pumphrey were each named to the Community and Junior College All-Academic Team and were featured in issues of *USAToday*. The team highlights the

top 40 of the more than 10 million community college students in the U.S.

Crisp is a 2002 graduate of Chipola and was the 2000 valedictorian of Graceville High. A microbiology and cell science major, Crisp plans to transfer to the University of Florida to pursue a career in dentistry.

Andrea Bruner is a 2001 graduate of Chipola. The 1999 valedictorian of Chipley High, is currently enrolled at the University of Florida. She plans to attend medical school and specialize in obstetrics.

Cherra Pumphrey is a 1999 graduate of Chipola. She was the 1997 valedictorian of Marianna High and is currently enrolled at the University of South Florida.

### Chipola to host High School Baseball Showcase

Chipola Junior College Baseball will host its first-ever High School Showcase, Saturday, Sept. 14, at the CJC field.

The event is open to all high school juniors or seniors who are current members of a varsity baseball team.

CJC head coach Jeff Johnson says, "This event is a great opportunity for players to showcase their skills and to gain national exposure while being evaluated by JUCO and Division One coaches, as well as professional scouts." Johnson says he is expecting from 50 to 100 pro and college scouts to attend.

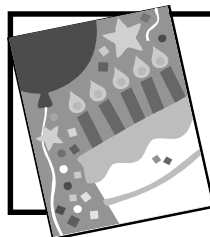

Check-in opens at 8 a.m. on Sept. 14. Skill evaluation for running, hitting and field-

ing begins at 9 a.m. Skill evaluation for hitting, pitching and catching begins at 12:30 p.m. Players should wear baseball pants and bring their own bats, spikes, gloves and hats.

Registration deadline is Friday, Sept. 6. Participants must provide proof of insurance and sign a waiver of liability. Cost is \$75.

Chipola Junior College is located in Marianna, FL, 70 miles west of Tallahassee and 30 minutes South of Dothan, AL. Chipola finished second in the state in 2001 and in 2002.

**Things You Might Not Have Known**

A British mathematician drew plans for the first submarine in 1578. But it was Cornelius van Drebbel, a Dutch inventor, who managed to build one in 1620. He wrapped a wooden rowboat tightly in waterproofed leather and had air tubes with floats to the surface to provide oxygen. He took the first trip with 12 oarsmen in the Thames River - staying submerged for 3 hours.
