## Pygmalion opens '98 Chipola Artist Series

"Pygmalion," George Bernard Shaw's comedic masterpiece, comes to the Chipola stage on Thursday, Sept. 24, at 7 p.m., to open the college's annual Artist Series.

This beloved story of an English professor who transforms a cockney flower girl into a dazzling society lady was the basis for the popular musical film, "My Fair Lady."

Reserved tickets for this one-night event go on sale Tuesday, Sept. 8, at the CJC Book Store. Tickets are \$12 for adults and \$8 for ages 18 and under. Chipola students and employees get a special price of \$4, which is half price for students

and 75 percent off for employees. Persons wishing to sit together should purchase tickets at the same time. No exchanges please.

Season tickets for the four-event series—\$40—are still available in the Fine Arts Building. Other series events include: **St. John's River City Band's "The Magic of Broadway"** on Oct. 6; **The Orlando Opera Company's "Love and Laughter"** on Jan. 14; and internationally-acclaimed pianist **Frank Weins** in concert, Feb. 23.

For information, or to place credit card orders, call the CJC Book Store at (850) 718-2258.
