## Enrollment up this Spring

Enrollment at Chipola Junior College is up this Spring by more than seven percent over the same semester last year. While the number of students is up only 1.82 percent for a total of 1569, students are taking more classes. Full Time Equiva-

lency (FTE), an average calculation of the number of hours students take, increased 7.38 percent from 383 to 414.

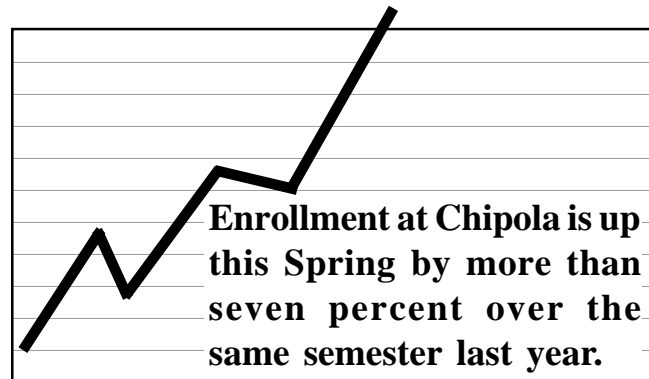

CJC president, Dr. Dale O'Daniel says, "We are very pleased that the upward trend is continuing. We have made a concerted effort to make our programs more accessible to students. We're offering more classes at more times, and a wider variety of distance learning courses."

O'Daniel says the presence of Chipola's University Center may also have positively affected enrollment because many students must take lower level pre-requisites at Chipola to qualify for these four-year programs. Currently Florida State Uni-

versity, Florida A & M University and the University of West Florida are offering bachelor's and graduate programs on the CJC campus.

Though CJC classes began Jan. 5, students may continue to register for several Workforce Development programs and Continuing Education courses throughout the semester.

For more information, call the CJC Registration Office at 718-2211.

## Chipola teams hit the road

Both Chipola hoops squads hit the road this week with games at Tallahassee on Jan. 18, and at Gulf Coast on Jan. 25.

The men's games will be broadcast by Deep South Sports on WJAQ Radio (100.9).

Chipola hosts Pensacola in a pair of games on Saturday, Jan. 29. The evening is billed as Washington County Appreciation night, as residents of Washington County will be admitted free.

First year CJC coach Ryan Cross is pleased with his team's defensive game, which held PJC to 12 points in the first half on Tuesday, but now the team needs to add some offense to the mix. "Our one constant is good defense, but we've got to make some shots," says Cross. "We missed some easy layups at PJC, that we've got to make to win." Chipola suffered a 65-60 loss at Pensacola on Tuesday. Chipola held PJC to 12 points in the first half, but the Pirates made several key three pointers in a late rally to upend the Indians. Cross says, "PJC started pressing in the second half. They changed the pace, played carefree, and starting hitting threes. We had a great start in the PJC game, we just didn't finish it off. We've got to be able to steal some games like this on the road."

Sophomore guard Marcelle Davis has played a big role in Chipola's success thus far. Cross says, "Marcelle's brought a lot of character, leadership and hard work to our program. He's matured a lot, and he's

definitely the most improved player in the program from last year." Davis, a 6-2 native of Suitland, Maryland, struggled with injuries last season that held him to only 8 points and 3 rebounds per game. But a stronger Davis has turned in consistent, solid season, averaging 14 points in the Indians' first 20 games.

Davis also does a super job of guarding the opponents' best perimeter player. Against Gulf Coast on Jan. 8, Davis held 6'7 Zelimir Stevanovic, the nation's leading scorer, to 10 points under his average and only five in the first half. Davis is also the backup point guard when Mike Hardaway needs a breather.

Chipola is 1-1 in the conference and 16-4 overall as of Jan. 14. The Indians are 4 games away from 1,000 program wins.

In the men's Conference standings as of Jan. 14, O-W leads the pack at 2-0 with wins over GCCC and TCC. Chipola is 1-1 with a win over GCCC and a loss to PJC. TCC is 1-2 a win over PJC and losses to OW and GCCC. PJC is 1-2 with a win over CJC and losses to TCC and OW. GCCC is 1-1, with a win over TCC and a loss to CJC.

The Lady Indians suffered a 77-72 loss at the hands of PJC on Tuesday. The Lady Indians are 12-6 overall with a 1-2 conference mark.

For the latest scores and information, call the CJC hotline at 718-2CJC, or visit the CJC web site at [www.chipola.cc.fl.us](http://www.chipola.cc.fl.us)

## JAZZMATAZZ is Friday

The CJC Show Choir will present a one-night show, *JAZZMATAZZ 2000*, on Friday, Jan. 21, at 7:30 p.m., in the CJC Theatre.

This special concert will feature Show Choir favorites, "Jump, Jive and Wail," "Swing Dancing," and the "Land of a Thousand Dances." The theme for *JAZZMATAZZ 2000* is "Cheers to the Year."

Everyone's favorite selections will be featured, including a medley of one of the most successful musicals of the century, "A Chorus Line." The CJC Show Choir, under direction of Dr. Ed Lyon, has received acclamation throughout the South for exciting choreography by Rebecca Parmer and Lisa Mitchell Haydel and the stunning vocals of its 14 fine singers.

The CJC Show Choir has invited as their special guests the **Marianna High School Show Choir** under the direction of CJC alumnus Angie White. The Marianna group will perform midway through the show.

General admission tickets—\$8 for adults and \$4 for students—are available from Show Choir members or in the Fine Arts Office at 718-2277. Proceeds from the concert will benefit the Show Choir Spring Concert Tour.

For more information, call Dr. Lyon at 718-2221, or Joan Stadskev at 718-2301.

## CJC health sciences now accepting applications

Applications are currently being accepted for certain programs offered by the CJC Health Sciences Department.

The following limited enrollment programs have special requirements: Emergency Medical Technician, Patient Care Assistant, Occupational Therapy Assistant, Practical Nursing and Associate Degree Nursing. Due to the unique responsibilities involved in the delivery of health care services, students seeking admission to these programs must meet certain admission criteria. Applicants with the best qualifications will be selected.

The programs also have special attendance requirements, grading policies,

dress codes and fees. Curricula for these programs are prescribed by the Department of Education's Program Standards, Health Rehabilitative Services-EMS Division, and the Florida State Board of Nursing. All who satisfactorily complete these programs will earn certificates from Chipola. However, licensure to practice is dependent upon passing a state licensing or certification examination.

The **Associate Degree Nursing (Registered Nurse, RN)** Program is a limited enrollment, 72-semester-hour program, approved by the Florida Board of Nursing. Applications are due by May 15.

The **Practical Nursing (Licensed**

**Practical Nurse, LPN)** Program is a limited access 1350-hour/42 credit program approved by the Florida Board of Nursing. This program prepares students for entry level positions as Licensed Practical Nurses. Applications are due by May 15.

The **Occupational Therapy Assistant (OTA)** course is a 70 credit, limited enrollment, program. OTA students are trained to promote, reinforce or restore the ability of physically, emotionally or developmentally challenged individuals to function in their own environment. This program has special admission criteria. Applications deadline is May 15.

## Boring class to meet

Chipola will offer a Boring Class, Feb. 7-10. Introduction to Directional Boring, a course in the Telecommunications Installation program, will meet Monday through Thursday evenings from 6 to 9 p.m., in Building N, Room 111.

The course will provide 12 specialized clockhours of instruction. Cost is \$49.95. The course will cover several topics, including: history, safety, mud-mixing, and Ditch Witch Simulator training. Trawick Construction Company of Chipley will

serve in an advisory capacity in the training.

For information, contact Harry Fleener at 718-2214, Doug Trawick at 638-0429.
