The winner will be announced each week in Chipola This Week. The lucky student has the entire week to contact Michael Shores in the SGA office to claim their parking prize for the following week. He/she must then fill out a simple application for vehicle identification. The permit should then be placed on the dash of the winner's vehicle

every time he/she parks in a "green spot." Areas designated for Administrator, Faculty of the Year, month, etc are not allowed.

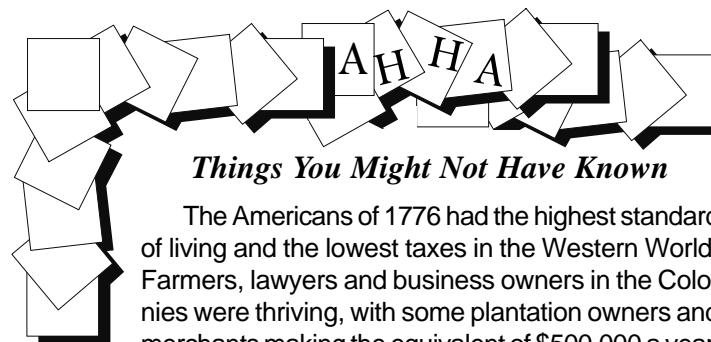

The contest begins Jan. 21. To enter, place an envelope with your name and donation in a special drop box marked "PTK" in the Administration Building's mailroom. The first drawing will be Thursday, Jan. 24. The following Monday, the winner will be announced in the Jan. 28 edition of the Chipola This Week and will receive a permit for the week of Feb. 4-8.

To increase the success and reputation of the first drawing, the names received in the first drawing will carry over to the Jan. 31 drawing for the Feb. 11-15 permit. **This will only be allowed on the first drawing.**

**Things You Might Not Have Known**

The Americans of 1776 had the highest standard of living and the lowest taxes in the Western World. Farmers, lawyers and business owners in the Colonies were thriving, with some plantation owners and merchants making the equivalent of \$500,000 a year.
