The group is expected to arrive at 10 a.m. in Jackson Hall of the Chipola Literature/Language Building. CJC Student Am-

bassadors and Phi Theta Kappa will provide a tour of campus, followed by a pizza lunch, a video of campus life and a swim in the college pool. The students also will sit in on an American Literature class beginning at noon.

**POOLE PUBLISHED**

"Libraries LINCC Life-long Learners to Community Colleges" is an article written by Dr. Carolyn E. Poole of Chipola Junior College that was published in the Spring 2002 issue of Florida Libraries, the official journal of the Florida Library Association.

LINCC is the Library Information Network for Community Colleges that provides statewide library access to all Florida community college students.

The purpose of the article was to illustrate how LINCC resources are serving lifelong learning needs both on campus and off campus. She described ways in which students, faculty, staff, administrators, community members, state citizens, regional residents, and even global users are benefiting from LINCC. Sharing of print and electronic information, customized instruction for information literacy, and virtual reference are only a few of the contributions to learning facilitated by community college libraries.

The full article can be read online at [www.flalib.org/publications/florida\\_libraries/45\\_1.pdf](http://www.flalib.org/publications/florida_libraries/45_1.pdf)

## Chipola Phi Beta Lambda places at national competition

Chipola Junior College students picked up several awards at the National Phi Beta Lambda Conference and Competition held in Nashville, Tennessee's Convention Center.

Chipola's Parliamentary Procedure Team placed fifth in the nation based on a written examination and a ten-minute parliamentary performance. Team members are Amanda Barber of Alford; William Barber of Cottondale; Carla Wells of Chipley; and Jacob Baxter of Malone.

Chipola's John McDaniel of Cottondale placed ninth in the Written Economics competition. He captured first place in Florida earlier this year. The field of competitors included economics majors from four-year universities. The award was part of a comprehensive competitive events program sponsored annually by Future Business Leaders of America-Phi Beta Lambda, Inc.

Individuals, state teams and local chapters competed in nearly 40 events representing a wide range of business and leadership development. The winners of these highly competitive and prestigious awards are selected from among FBLA-PBL's membership of 250,000 students and advisers and represent some of the best and brightest of today's youth.

Some 7,000 delegates to the National Leadership Conference participated in business and leadership training workshops, corporate tours, competition, and the election of national officers.

FBLA-PBL is the national business education association that prepares students for careers in business. Its members, belonging to more than 12,000 chapters, include students from the United States, the Virgin Islands, Puerto Rico, and Europe.

## Chipola announces upcoming theatre season

Chipola Junior College Theater Coordinator Charles Sirmon recently announced two big shows planned for the upcoming season.

Auditions for the comedy "**You Can't Take It With You**," are set for Aug. 26 and 27 at 6 p.m. with performances Oct. 17-20.

The hit comedy by Moss Hart and George S. Kaufman is one of the most popular and successful plays of modern times. At first the Sycamores only seem mad, but it is not long before we realize that if they are mad, the rest of the world is madder.

The movie by the same name and starring Jimmy Stewart earned several Academy Awards, including Best Picture and Best Director in the screen adaptation by Frank Capra.

"**Big River: The Adventures of Huckleberry Finn**," is Chipola's big spring musical. Auditions are set for Jan. 6 and 7 at 6 p.m. with performances slated for March 12-16, 2003.

Twain's timeless classic sweeps the audience down the mighty Mississippi as the irrepressible

Huck Finn helps his friend Jim, a black slave, escape to freedom at the mouth of the Ohio River. Their adventures along the way are hilarious, suspenseful and heartwarming, bringing to life all of the favorite characters from the novel – the Widow Douglas and her stern sister, Miss Watson; the uproarious King and Duke, who may or may not be as harmless as they seem; Huck's partner in crime, Tom Sawyer, and their rowdy gang of pals; Huck's drunken father, the sinister Pap Finn; the lovely Mary Jane Wilkes and her trusting family.

Propelled by an award winning score from Roger Miller, the king of country music, this jaunty journey provides a brilliantly theatrical celebration of pure Americana. This long-running hit won seven Tonies including Best Musical and Best Score.

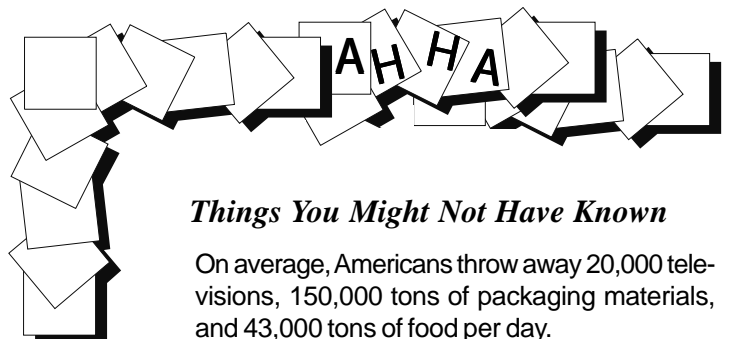

Sirmon also has a yet-to-be-named Summer Children's show in the works for May of 2003.

For information about Chipola Theater, contact Sirmon at 850-718-2227.
