Chipola theater to present Charlie Brown Musical

The Chipola Theatre Department will present the hit Broadway musical "You're a Good Man Charlie Brown" Thursday, May 17, at 7 p.m.

Hundreds of public school children will attend special performances May 15-18 at 9 and 10:30 a.m.

Charles Sirmon will direct the musical, with choreography by Chris Manasco. Sirmon says, "Join the Peanuts Gang for this fast-paced, lighthearted musical, which is guaranteed to please audiences of all ages. Fun, laughter, dancing and sincerity build the mood with musical numbers including: My Blanket And Me, The Kite, The Baseball Game, Little Known Facts, Suppertime and Happiness."

The cast includes Jonathan Basford as Charlie Brown. CJC fans will remember

Basford from his title role in Chipola's "Joseph and the Amazing Technicolor Dreamcoat." Rusty Miller will play Linus.

He received an Outstanding Actor for the role of Ellard in CJC's "The Foreigner."

Other roles include Jamie Basset as Little Red Headed Girl, Amber Williams as Lucy, and Mitch Simms as Schroeder. Also cast are Becca Sandifer as Marcie, Laura Farmer as Patty, Ashley Kozik as Sally and Mavis Flowers as Snoopy.

Tickets—\$5 general admission—are on sale in the Business Office. Sirmon says, "Don't be a blockhead, get your tickets soon." For ticket information, call 718-2204.

Cavin wins annual Faculty/Admin Award

Math instructor Rose Cavin is the recipient of the Faculty/Administrator Employee of the Year award.

Cavin teaches intermediate algebra, college algebra, and trigonometry.

She is former chair of the Council for Chipola Educators and is presently co-sponsor of the Chipola Brain Bowl team. She has represented the faculty on the Governance Council and currently serves on four college committees: Curriculum and Courses of Study, Instructional Resources, Planning and Accountability and Calendar. She is an active member and former president of Altrusa, a community based women's service club.

Dr. Rene Tharpe, dean of the Division of Mathematics, Natural and Social Sci-

ences, says, "Rose is always eager to embrace innovative approaches in the classroom. She is held in high regard by students, faculty and administrators for her hard work and generosity. She exemplifies the criteria for the award, courtesy, dependability, initiative, and professionalism."

She earned a Bachelor's degree in math education from Florida State University, a Master's degree from the University of West Florida, and has done postgraduate work at Troy State University. She has taught math at Marianna High School and Marianna Middle School.

Cavin and her husband Dale have two children: Rob, a recent master's graduate in Computer and Electrical Engineering from UF, and Julie, a senior marine biology major at FSU.

The award includes reserved parking for a year, a \$1,000 bonus, and a \$100 gift certificate from the College Book Store.
