## Chipola baseball makes school history

The Chipola Indians made school history when they finished second in the FCCAA State Baseball Championship May 13 in Kissimmee.

The 2001 Indians became only the second Chipola team to make it to the championship game of the state tournament. The 1983 Indians won the championship.

This was head coach Jeff Johnson's third trip to the state tourney in just five seasons at the helm of the Indian program. Chipola finished the season 43-16 with a Panhandle Conference Championship and a State Runner-Up Trophy.

Chipola lost to top-ranked Miami-Dade CC 8-3 in the championship game of the tourney on Sunday. The Indians lost to Manatee 4-3 on Saturday, but the game was inconsequential as CJC was guaranteed a

spot in the championship game after winning their first three games in the tourney. Chipola began the tourney with a 5-4 come from behind win over Manatee on May 9. CJC racked up a 17-11 win over Palm Beach on May 10, and an 8-4 win over St. Petersburg on May 11.

Two Indians were named to the All-Tournament team. Pitcher/infielder **Jose Bautista** was named tournament MVP. He pitched a complete nine-inning game striking out 7 batters. Bautista has signed with the University of South Carolina.

Marianna native **Jonathon Swearingen** was named All Tournament infielder. He has signed with Ole Miss. Several other Indians also are being courted by Division 1 colleges.

## Breivogel wins Kirkland Award

Dr. Bill Breivogel, CJC Chemistry instructor, was chosen by his peers to receive the Kirkland Award for Excellence in Teaching at the 2001 CJC graduation.

Breivogel has worked at CJC since 1983, where he teaches general and organic chemistry and directs Honors projects for both courses.

A graduate of the University of Notre Dame, Breivogel earned a doctorate from the University of California.

He has served as chief negotiator for the Chipola Faculty Association and served

two terms as CFA president. He also is a member of the Council of Chipola Educators.

Breivogel lives in Marianna with his wife Carmen. He has two children and three grandchildren who live in North Carolina.

The Kirkland Award was endowed 12 years ago by brothers J. R. and David Kirkland in honor of their parents Carolyn and the late Willis Kirkland of Marianna. The award provides \$1,000 to a CJC teacher. Previous winners include faculty emeriti Donald Holley, Don Adams and Lonnie Keene, former instructor Jean Taylor and current instructors Paul Huang, Dr. Stephen Shimmel, Peggy Register, Mary McClendon, Nancy Burns, Dr. Lou Cleveland and Charlene Lord.

**CRISP DONATES LAND**

The family of the late Robert F. Crisp recently donated a piece of land in his memory to the CJC Foundation that may prove very useful to the college.

The property, located at 4492 River Forest Rd., also borders Caverns Rd. The triangle shaped parcel is 300' X 301' X 300' and includes a two-story building which served as Mrs. Yancey's Supper Club during the operation of Graham Air Base in the late 1940's and early 50's.

Dr. Gene Prough, CJC executive vice president, said the property is part of the long-range dreams for the college and may include a sign directing visitors to the college.

Robert Crisp was a CJC alumnus who played basketball at Chipola in the early 50's. His surviving family includes wife Patricia Crisp; three daughters and sons-in-law.

The family also has established the Robert F. Crisp Memorial Scholarship Endowment at CJC.

**JOBS AVAILABLE**

Employment recruiters for McDonalds will be in front of Building "C" taking applications on May 29, from 9 a.m. to 2 p.m.

**Things You Might Not Have Known**

Celery has negative calories. It takes more calories to eat a piece of celery than the celery has in it to begin with.
