Chipola to screen Florida Wildlife Corridor Expedition Film

Chipola will host a screening of the Elam Stoltzfus documentary film, “The Florida Wildlife Corridor Expedition: Everglades to Okefenokee,” Thursday, June 12, at 6 p.m., in the Chipola Center for the Arts.

The Emmy award-winning film has been shown nationwide on public television. Chipola graduate and 30-year veteran filmmaker Elam Stoltzfus will be on hand to discuss the film. A reception will follow the screening.

The 2012 film documents the journey of four explorers who traveled 1,000 miles in 100 days, from the Everglades to Okefenokee Swamp in Southern Georgia. Their goal: to raise awareness of the real possibility to protect and restore connected landscapes throughout the Florida peninsula and create a viable corridor through Florida.
