**Embraceable You**
Thursday, April 2, 2015 7 p.m.
Deborah Jean Templin began writing Unsinkable Women, while touring with the stage hit Titanic: A New Musical. Wondering what it was like when the survivors finally came home, the show stimulated her investigation into the event which saw 1500 people perish in the North Atlantic on April 15, 1912. During the course of this one-woman play about the women who survived the sinking of the legendary liner Templin portrays nine unique individuals, shifting from one to the other without leaving the stage. Her roles include Madeline Astor, heiress to one of America’s greatest fortunes; New York housewife Daisy Speeden whose son’s teddy bear survived the sinking and inspired a classic children’s book; and the celebrated Molly Brown—the bold unsinkable character who took charge of a floundering lifeboat and guided it to safety.

Tickets go on sale Jan. 2 at the CFA Box Office or purchase online at www.chipola.edu/boxoffice.
