The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate of Arts Degree

Architecture

Transfer Institution: Florida A & M University

Code
1016

Program Length
60 credits

Entrance Requirements

This is a limited access program which requires a minimum 2.5 GPA.

Because this curriculum requires professional courses during the first two years that Chipola does not offer, it is recommended that students transfer after the first year; however transfer students must meet freshman admissions requirements. The program outlined below is for those students who elect to earn the A.A. degree prior to transfer. Contact the College of Architecture for application deadline.

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.
