

This Associate of Arts degree program is designed for students who desire to earn a degree in Health Sciences, Athletic Training at the University of Central Florida.

For additional program information, visit the [UCF website](#).

Possible occupations for this major include athletic trainer, exercise leader, sports nutritionist, exercise testing technician, fitness club manager, health & fitness advisor.

For more information, please visit the [University of Delaware website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate of Arts Degree

Health Sciences - Athletic Training

Transfer Institution: University of Central Florida

Code 1113 Program Length 60 credits

Entrance Requirements

This is a limited access, limited enrollment program.

A 3.0 minimum overall GPA, minimum grades of "B" in required core courses, a minimum of 100 documented clock hours of experience with a licensed athletic trainer, and consent of the Program Director are required for admission. **Check with the UCF department for application deadlines.**

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.
