

This Associate in Arts degree program is designed for those students who expect to transfer and earn a degree in the College of Business at the University of Florida.

For additional program information, [visit the UF Website](#).

Possible employment areas as a business major include accounting, decision and information sciences, computer and information sciences, economics, finance, management, marketing, real estate and urban analysis, insurance. For more information please visit The Occupational Outlook Handbook: [Accounting](#), [Administrative Services](#), [Real Estate Agent, Brokers, Appraisers, Financial Managers, Marketing, Advertising and Public Relations Manager](#), [Engineering, Science, and Computer System Managers](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate in Arts Degree

Business Administration

Transfer Institution: University of Florida

Code 1020 **Program Length** 60 credits

Entrance Requirements

All prerequisites must be completed to be included in the applicant pool. A minimum overall GPA and a minimum on all attempts of preprofessional courses are required for admission to the College of Business. GPA requirements vary by major; most are 3.0 or higher. Check the [UF ISIS website](#) for specifics. All prerequisites must be completed before enrolling at UF. **The College of Business will recompute your GPA based on all attempts on all critical tracking courses.** The courses in **BOLD** are critical tracking courses for this major at UF.

The University of Florida will deny admission to any student who has not satisfied the state foreign language requirement.

All students entering UF are required to possess a personal computer. Check the UF website for an [internet link](#) for specific computer hardware and software configurations for this major.
