

This Associate in Arts degree program is designed for students who plan to transfer and earn a degree in the management of information and technology at Florida State University.

This major, located in the College of Business, focuses on developing technical and managerial competency and specifically deals with effectively utilizing information for operations and organizational decision making. A special focus on understanding communications and network structure is also provided.

For additional program information, visit the [FSU website](#).

Possible job opportunities for a management information systems major include MIS director/specialist, information manager, production manager, systems analyst, EDP director, data processing supervisor, computer programmer/analyst, operations manager, consultant.

For more information, please visit [The Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate in Arts Degree

Management Information Systems/Business

Transfer Institution: Florida State University

Code **Program Length**
1038 60 credits

Entrance Requirements

This is a limited access program. A 2.75 overall GPA is required for admission beginning fall 2003; beginning fall 2004, the overall GPA will increase to 2.90.

The required GPA is computed based on all attempted course work at the college level.
FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE REQUIREMENT.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement. If not, students should take SPC 2600 at Chipola to satisfy this requirement.
