

This Associate in Arts degree program has been designed for students who plan to earn a degree in Secondary Education (Biology major) at Florida State University.

Science education majors should refer to the Florida State University catalog and talk with a counselor for more specific information on majors in chemistry, earth/space, physics, science and math, and middle school science.

For additional program information, visit the [FSU website](#).

Possible job titles for students with this major include secondary school teacher, biology textbook author, editor, salesperson, science teaching specialist.

For more information, please visit [The Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate in Arts Degree

Science Education (Biology)

Transfer Institution: Florida State University

Code
1073

Program Length
60 credits

Entrance Requirements

This is a limited access program.

A minimum GPA of 2.5 and passing scores on all parts of CLAST are required for admission to the College of Education.

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT.

FSU requires basic [computer proficiency](#). Students must demonstrate email, Internet, word processing, & spreadsheet skills; demonstrations are monitored by the FSU Computer Science department. EME 2040 will satisfy this requirement.

Six (6) hrs. of additional science courses are required, preferably chemistry or physics; may complete at FSU. Check with FSU departmental advisor.

Applicants must complete a self-disclosure form that requires them to respond to any personal criminal background information; they may also be fingerprinted before student teaching in certain counties.

2004-2005
