Transfer Institution: University of West Florida

Code 1079 **Program Length** 60 credits

Entrance Requirements

This is a limited access program.

A strong academic preparation is a must. While a minimum 2.5 GPA is required for admission to the College of Education, to be competitive a 3.0 or higher GPA is recommended. This requirement may change. The student should assume responsibility for checking with UWF for all admissions requirements to Teacher Education.

As a part of the admissions process, the College of Education requires that all students be fingerprinted and pass an FBI and FDLE background check, two letters of recommendation, a handwritten 500 word autobiographical sketch, and a 250 word handwritten rationale for becoming a teacher (see [UWF online handbook for teacher education](#)).

UWF requires all students to pass the Florida Teacher Certification Exam before the bachelor's degree is awarded.

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.
