This Associate in Science degree program prepares students for employment as managers in a variety of business environments, such as an owner/manager for a small business, or for continued education beyond the Associate degree level.

Students who plan to pursue a bachelor's degree in any area of business at a four-year college or university may instead fulfill the Associate in Arts degree requirements for a major in Business at the chosen transfer school.

For more information please visit The Occupational Outlook Handbook: [Accounting](#), [Administrative Services](#), [Real Estate Agent](#), [Brokers](#), [Appraisers](#), [Financial Managers](#), [Marketing](#), [Advertising and Public Relations Manager](#), [Engineering](#), [Science](#), and [Computer System Managers](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Entrance Requirements

All Associate in Science degree students must complete the required English and mathematics courses with a grade of "C" or higher.
