

This Associate in Arts degree program is designed for students who expect to transfer and earn a degree in Communication Sciences & Disorders at the University of Florida.

For additional program information, visit the [UF website](#).

Possible employment opportunities for this major (with a master's degree) include audiologist, consultant (speech and hearing disorders), speech-language pathologist, clinician (speech and hearing), researcher, therapist (speech and hearing), university or college teacher. For more information, visit the [Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate in Arts Degree

Communication Sciences & Disorders

Transfer Institution: University of Florida

Code 1128 **Program Length** 60 credits

Entrance Requirements

A minimum overall GPA of 2.8 is required for admission, with a minimum GPA of 2.75 in tracking courses. *Do not begin this program unless you are planning to complete a master's degree.* To be certified as a Speech/Language Pathologist or Audiologist, you must earn a master's degree from an accredited program. This program is in the College of Liberal Arts and Sciences.

The University of Florida will deny admission to any student who has not satisfied the state foreign language admissions requirement.

All students entering UF are required to possess a personal computer. Check this UF website (<http://www.circa.ufl.edu/computers/>) for a link to specific computer hardware and software configurations for this major.

The UF College of Liberal Arts and Sciences does not accept most CLEP credit. Check UF catalog/website for more information.

Courses in **BOLD** are critical tracking courses for this major at UF.
