Chipola College and Tallahassee Community College have an articulation agreement that allows students who attend Chipola and meet the stated prerequisites and criteria to enroll in the Dental Hygiene Program at Tallahassee Community College.

For additional program information, visit the TCC website.

For more information, please visit the Occupational Outlook Handbook website.

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Entrance Requirements

The program classes begin in May or Summer I Term each academic year. Check with Tallahassee Community College for application deadlines.*

All Associate in Science degree students must complete the required English and mathematics courses with a grade of "C" or higher.

1 Check prerequisites.

2 Must be completed with a grade of "C" or better within five (5) years of the application deadline. Students must also be eligible for MGF 1106 and ENC 1101 at time of application unless those courses are already completed.

3 Non-credit college-prep reading, writing, and/or math courses (including MAT 1033, a credit course that does not count as a Gordon Rule course) may also be required, depending on placement test scores.

* Students must write to the Technology and Professional Programs Division, Tallahassee Community College, 444 Appleyard Drive, Tallahassee, FL 32304 to obtain an application packet and should indicate they wish to enroll under the articulation agreement with Chipola College when the application is submitted. The application process should begin during the fall term preceding the year in which entry is anticipated.
