For more information, please visit [The Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Entrance Requirements

All Special Ed. programs are limited access, limited enrollment. The ED/LD track is a combined Bachelor's & Master's Degree. These programs are in the College of Education and require a minimum 2.5 GPA and passing scores on all parts of the CLAST or on the general knowledge section of the FTCE for admission. Previous experience with individuals with disabilities (for example, volunteer work) is strongly suggested. Admissions deadline: Prospective students should complete the departmental application early in the sophomore year – or after completion of approximately 30 semester hours of course work and complete an interview with an FSU faculty member in Special Education to determine interest and commitment to the program.

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT.

FSU requires basic [computer proficiency](#). Students must demonstrate email, Internet, word processing, & spreadsheet skills; demonstrations are monitored by the FSU Computer Science department. EME 2040 will satisfy this requirement

Applicants must be fingerprinted and pass a security clearance prior to admission into the program.
