

This Associate in Arts degree program is designed for students who expect to earn a bachelor's degree in clinical laboratory sciences at the University of West Florida.

Upon completion of the program and the achievement of certification and license, clinical laboratory scientists are employed in a variety of health-care settings as laboratory technologists, progressing to supervisory and management positions.

For additional program information, visit the [UWF website](#).

In addition to clinical laboratories, other employers include research labs, reference labs, public-health labs, blood banks, crime labs, and physicians' office labs, etc.

For more information, please visit [The Occupational Outlook Handbook](#).

**The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.**

## Associate in Arts Degree

# Clinical Laboratory Sciences Transfer Institution: University of West Florida

**Code** 1115  
**Program Length** 60 credits

## Entrance Requirements

A minimum GPA of 2.5 is required for admission. This is a limited access, limited enrollment program, which begins in May of each year. Only 20 students are accepted into the clinical component of the senior year.

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.
