

This Associate in Arts degree program is designed for students who expect to transfer and earn a degree in Communication Disorders at Florida State University.

This is a limited access program.

For additional program information, visit the [FSU website](#).

Possible employment opportunities for this major (with a master's degree) include audiologist, consultant (speech and hearing disorders), speech-language pathologist, clinician (speech and hearing), researcher, therapist (speech and hearing), university or college teacher. For more information, visit the [Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Entrance Requirements

A minimum GPA of 2.8 is required for admission into this program in the College of Communication. Generally admission is for the fall semester only; exceptions require approval from the Department Chairperson. If you plan to pursue public school teacher preparation, you must be formally admitted to teacher education. The following courses, along with a minimum GPA of 2.5 and passing scores on all parts of CLAST or on the general knowledge section of FTCE will meet the College of Education requirements. **March 1 is the application deadline; all information must be on file at FSU by the deadline—not in the mail!**

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement during the FSU admissions process. If not, students should take SPC 2600 at Chipola to satisfy this requirement.

FSU requires basic [computer proficiency](#). CGS 1060, CGS 1100, or EME 2040 will satisfy this requirement.

A master's degree is required for certification and licensure in either audiology or speech pathology; students should plan to continue in a graduate program.

FRESHMAN YEAR

1st Semester		Sem. Hrs.	2nd Semester		Sem. Hrs.
ENC 1101	Communication Skills I	4	ENC 1102	Communication Skills II	4
