

This Associate in Arts degree program is designed for students who expect to transfer and earn a bachelor's degree in Nursing at the University of Florida.

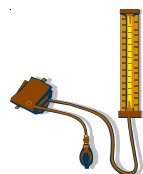

For additional program information, visit the [UF website](#).

Possible job opportunities for nursing majors include staff nurse, team leader, school nurse, head nurse, office nurse, private duty nurse, public health nurse, clinic nurse, emergency room nurse, occupational health nurse, community mental health nurse.

For more information, please visit [The Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate in Arts Degree

Nursing

Transfer Institution: University of Florida

Code
1120

Program Length
60 credits

Entrance Requirements

This is a limited access program.

A minimum GPA of 3.3 overall and in all pre-professional course work is required for consideration with no grade below "C". The nursing department application and all supporting materials must be RECEIVED by UF before March 1. All coursework must be completed by the end of the summer I semester prior to the anticipated fall registration (no more than two courses can be in progress during this term).

Admission is very competitive. To enhance your chances, select two of the following and become involved while at Chipola:

1. Engage in internships with government agencies, non-profit organizations, and businesses.
2. Engage in research with faculty.
3. Engage in volunteer service in the community.
4. Participate in overseas study.
5. Engage in leadership opportunities at UF.

The University of Florida will deny admission to any student who has not satisfied the state foreign language admissions requirement.

All students entering UF are required to possess a personal computer. Check this UF website (<http://www.circa.ufl.edu/computers/>) for a link to specific computer hardware and software configurations for this major.

Current CPR certification, personal health insurance, and Level II background check are required for admission.

The courses listed in **BOLD** are critical tracking courses for this major at UF.

2006-2007
