Entrance Requirements

This is a limited access program. A minimum GPA of 2.8 is required for admission. Grades below C- will not be accepted for major or minor credit. Students who have more than four grades below C- in any coursework in psychology, at Florida State or elsewhere, will not be permitted to continue toward a degree with a major in Psychology. If a student receives a fifth grade below C-, he or she will be required to change majors. Beginning fall 2006, FSU will not grant "conditional admits" to psychology majors.

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT. This major is in the College of Arts and Sciences and requires completion of a foreign language through the 2200 level before graduation from FSU. Students who plan to attend the Panama City Campus should take this course at Chipola since foreign language courses are not available on that campus.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement during the FSU admissions process. If not, students should take SPC 2600 at Chipola to satisfy this requirement.

FSU requires basic [computer proficiency](#). CGS 1060, CGS 1100, or EME 2040 will satisfy this requirement.
