

This Associate in Arts degree program includes courses required for those students who expect to transfer and earn a degree in Forest Resources and Conservation or Natural Resource Conservation in the College of Agriculture at the University of Florida.

For additional program information, visit the [UF website](#).

The School of Forest Resources and Conservation has several majors. Employment opportunities exist in forest resources management, urban forestry, international and agro-forestry, forest science, ecotourism (educational, recreational, and financial aspects of nature-based, leisure-time opportunities), landscape ecology, computer information systems (links computer based information technologies with the management of natural resources), environmental pre-law, wetland ecosystems, and environmental education (educators with public or private agencies which do not require a formal teaching certificate).

For more information, please visit [The Occupational Outlook Handbook website](#).

*The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.*

## Associate in Arts Degree

# Forest Resources & Conservation

## Transfer Institution: University of Florida

**Code** 1091      **Program Length** 60 credits

### Entrance Requirements

A minimum GPA of 2.0 is required with a minimum GPA of 2.5 in preprofessional courses listed below. The program normally begins in the Summer I term at UF. Students who begin in the fall or spring terms may be at a disadvantage academically and may find it necessary to extend their residence at UF because of course sequencing. Check with for most current information.

Admission Deadlines: Check UF website.

UF WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT.

All students entering UF are required to possess a personal computer. Check this UF website (<http://www.circa.ufl.edu/computer.htm>) for a link to specific computer hardware and software configurations for this major.

The courses listed in **BOLD** are critical tracking courses for this major at UF.
