Associate in Arts Degree

Health Sciences (Pre-Occupational Therapy) Transfer Institution: Florida A & M University

Code
1127

Program Length
60 credits

Entrance Requirements

This is now a Master's degree program. This program is currently under revision at FAMU. This guide includes core courses required for University of Florida program. Check with FAMU for application information, deadlines, etc.

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.
