This Associate in Arts degree program is designed for the student who plans to transfer and work toward a degree in Landscape Design & Management at Florida A & M University.

For additional program information, visit the [FAMU website](#).

Possible employment opportunities for landscape design and management majors include

For more information please visit [The Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and any other transfer institution other than Chipola. Course requirements may change each year. You are encouraged to work closely with your advisor.

Entrance Requirements

No general studies course with a grade below "C" will be acceptable as credit toward the degree. No major course with a grade below "B" will be acceptable as credit toward the degree.

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.
