

This Associate in Arts degree program is designed for students who expect to earn a bachelor's degree in clinical laboratory sciences at the University of West Florida.

Upon completion of the program and the achievement of certification and license, clinical laboratory scientists are employed in a variety of health-care settings as laboratory technologists, progressing to supervisory and management positions.

For additional program information, visit the [UWF website](#).

In addition to clinical laboratories, other employers include research labs, reference labs, public-health labs, blood banks, crime labs, and physicians' office labs, etc.

For more information, please visit [The Occupational Outlook Handbook](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate in Arts Degree

Clinical Laboratory Sciences Transfer Institution: University of West Florida

Code 1115 **Program Length** 60 credits

Entrance Requirements

A minimum GPA of 2.5 is required for admission. This is a limited access, limited enrollment program, which begins in May of each year. Only 20 students are accepted into the clinical component of the senior year.

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.

2008-2009
