

This Associate in Arts degree program includes courses required for those students who expect to transfer and earn a degree in Animal Science at the University of Florida with a specialization in animal biology or animal industry in the College of Agriculture.

This is the best pre-professional preparation for veterinary school.

For additional program information, visit the [UF website](#).

Possible career options in animal science include various aspects of livestock production, livestock processing and utilization, allied service industries (feed, healthcare, genetics, equipment, supplies, marketing, promotion, finance, and education), and preparation for veterinary school. For more information please visit [The Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Associate in Arts Degree

Animal Science

Transfer Institution: University of Florida

Code
1145

Program Length
60 credits

2008-2009
