

## Associate in Arts Degree

# 2008-2009

This Associate in Arts degree program is designed for the student who plans to transfer and work toward a degree in Architecture at Florida A & M University.

For additional program information, visit the [FAMU website](#).

Possible employment opportunities for architecture majors include architect (additional education and training are usually required to become registered/licensed in most states), graphic designer, interior designer, industrial designer, urban planner, real estate developer, construction manager. For more information please visit [The Occupational Outlook Handbook website](#).

*The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor and with FAMU.*

## Architecture

### Transfer Institution: Florida A & M University

**Code** 1016      **Program Length** 60 credits

For more information  
Contact:

Student Services  
Chipola College  
(850) 718-2266

### Entrance Requirements

This is a limited access program. Because this curriculum requires professional courses during the first two years that Chipola does not offer, it is recommended that students contact the Architecture Department as soon as possible to assess available options. The program outlined below is for those students who elect to earn the A.A. degree prior to transfer. Contact the College of Architecture for application deadline and program information.

If a student has completed two years of high school credit in the same foreign language, he/she meets the admission requirement for state universities in Florida. If not, the student should complete two semesters of the same foreign language at Chipola before transfer to the university.
