This degree program is designed for students who plan to major in Elementary Education at Chipola College.

For additional program information, visit the [Chipola website](#).

Possible employment areas for this major include elementary teacher, middle school teacher, guidance counselor (with graduate school), recreation supervisor, youth organization worker, sales representative (school equipment/supplies).

For more information, please visit [The Occupational Outlook Handbook website](#).

The courses listed on this guide are not to be construed as a contract between the student and Chipola. Course requirements may change each year. You are encouraged to work closely with your advisor.

Entrance Requirements

A minimum GPA of 2.5 is required. Applicants must pass all four parts of the CLAST exam. If the CLAST requirement is satisfied with an alternative method, then applicants must present passing scores on all sections of the general knowledge portion of the FTCE for admission to the program.

Applicants must complete a self-disclosure form that requires them to respond to any personal criminal background information; they must also be fingerprinted and submit a background check.

If two years of high school credit in the same foreign language have been completed, the graduation requirement for a baccalaureate degree in Florida is satisfied. If not, two semesters of the same foreign language must be completed at Chipola before earning the baccalaureate degree.

Applicants must also submit a separate application to the program, a written narrative, and three recommendations. See [Elementary Education website](#) for details.
