This Associate in Arts degree program is designed for students who plan to transfer and earn the bachelor’s degree in Psychology from Troy University.

For additional program information, visit the Troy website.

Possible job opportunities with a major in psychology include social worker, human resource specialist, career counselor, rehabilitation counselor, corrections officer, personnel manager, vocational counselor, mental health counselor, job analyst, salesperson/manager, behavioral specialist, management trainee, and the following careers with advanced education: Clinical psychologist; counseling psychologist; educational/school psychologist; social psychologist; and developmental, child, industrial, or organizational psychologist.

For more information, please visit the Occupational Outlook Handbook website.

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

### Associate in Arts Degree

**Psychology**

**Transfer Institution:**

Troy University - Marianna

**Entrance Requirements**

Troy University requires a Senior Exit Exam (SEE). The exam includes tests in the liberal studies and in the major. If the CLAST is taken and passed at Chipola, students will be exempted from the general studies portion of the SEE. If the CLAST is exempted at Chipola, students will be required to take the general studies portion of the SEE at Troy before the bachelor’s degree is awarded. To graduate with honors, all attempts on all courses are included in the GPA calculation.

For admissions purposes Troy calculates GPA on all attempts (grades of W are not included for this major). For graduation purposes, Troy calculates GPA based on the last attempt.

¹ Troy requires two natural science courses with labs. These specific Chipola courses are the ones that best meet the requirements according to officials at Troy. (Do not take BSC 2111 & 2111).

² Complete one series; DO NOT mix and match.

³ Human Growth & Development (DEP 2004) should transfer to Troy. Abnormal Psychology (CLP 2100) and Child Psychology (DEP 2102) are junior year courses at Troy; if you take these courses at Chipola, you will have to repeat them at Troy.
