## Associate in Arts Degree

### Communication

### Transfer Institution: Florida State University

Code Program Length  
1101 60 credits

#### Entrance Requirements

The Department of Communication is a limited access program, restricted by both total numbers of students in each major and minimum grade point average required for application. Each major operates with a different enrollment cap. Achievement of the minimum application GPA does not guarantee admission to a communication major; all admissions are competitive. Admission criteria are available from the Department. An application must be completed and submitted to the Department of Communication. Check FSU website for specific details.

**The departmental application deadline is 5:00 p.m. (EST) the first business day in February for the summer or fall semester. Students must have exempted CLAST and have completed 43 hours of coursework and a 3.0 GPA at time of application. The AA degree must be earned by the end of the spring term in which application is made. The application must be typed and all information must be on file at FSU by the deadline, not in the mail! Check FSU website link at left for all details.**

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT. FSU College of Communication requires proficiency in one language other than English before earning the baccalaureate degree. This may be satisfied by completing the 2220 level of foreign language; American Sign Language through SPA 2614C at FSU; completing three courses of computer language ("C," JAVA, FORTRAN, COBOL); or completing three courses of business language (ECO 2013, ECO 2023, and STA 2023). All grades must be "C" or higher to satisfy this requirement.

**FSU requires basic computer proficiency. CGS 1060 or CGS 1100 will satisfy this requirement. Grade of "C" or higher required.**

<sup>1</sup> Electives should include course work in foreign language, computers, statistics, speaking and writing courses, or courses to meet the business language option above.

<sup>2</sup> FSU requires an international/diversity course for graduation. The Chipola courses which meet a social science requirement at Chipola and a diversity requirement at FSU include ASH 1044, GEA 2001, GEA 2002, REL 2300, and SYG 1010. It is strongly recommended that one of these courses be completed before earning your AA degree.
