This Associate in Arts degree program is designed for students who plan to transfer and earn the bachelor's degree in Psychology from Florida State University, Panama City Campus.

For additional program information, visit the FSU website.

Possible job opportunities with a major in psychology include social worker, human resource specialist, career counselor, rehabilitation counselor, corrections officer, personnel manager, vocational counselor, mental health counselor, job analyst, salesperson/manager, behavioral specialist, management trainee, and the following careers with advanced education: Clinical psychologist; counseling psychologist; educational/school psychologist; social psychologist; and developmental, child, industrial, or organizational psychologist.

For more information, please visit the Occupational Outlook Handbook website.

Entrance Requirements

This is a limited access program. A minimum GPA of 2.6 is required for admission. Grades below C- will not be accepted for major or minor credit. Students who have more than four grades below C- in any coursework in psychology, at Florida State or elsewhere, will not be permitted to continue toward a degree with a major in Psychology. If a student receives a fifth grade below C-, he or she will be required to change majors.

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT.

This major is in the College of Arts and Sciences and requires completion of a foreign language through the 2220 level before graduation from FSU. Students who plan to attend the Panama City Campus should take this course at Chipola since foreign language courses are not available on that campus.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement during the FSU admissions process. If not, students should take SPC 2608 at Chipola to satisfy this requirement.

For more information, please visit the Occupational Outlook Handbook website.

The courses listed on this guide are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.
