This Associate in Arts degree program is designed for students who plan to transfer and earn a degree in the management of information and technology at Florida State University.

This major, located in the College of Business, focuses on developing technical and managerial competency and specifically deals with effectively utilizing information for operations and organizational decision making. A special focus on understanding communications and network structure is also provided.

For additional program information, visit the FSU website.

Possible job opportunities for a management information systems major include MIS director/specialist, information manager, production manager, systems analyst, EDP director, data processing supervisor, computer programmer/analyst, operations manager, consultant.

For more information, please visit The Occupational Outlook Handbook website.

The courses listed on this plan are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.

Entrance Requirements

Admission to the limited access programs in the College of Business is competitive and depends on availability of faculty and space by discipline. Eligibility for an individual will be based on the following: 1) cumulative grade point average based on all college level work attempted; and 2) satisfactory completion of required prerequisite coursework. Requirements in effect at the time of application to the College (after at least 52 hours have been completed) will determine eligibility for each student. The required GPA may change each year; information regarding the current required GPA is available at www.cob.fsu.edu (a 2.9 GPA was required for the 2009-10 year).

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement during the FSU admissions process. If not, students may take SPC 2608 at Chipola or GEB 3213, Business Communication, at FSU. Must earn grade of “C” or higher.

1 FSU requires an international/diversity course for graduation. The Chipola courses which should meet this requirement at FSU include AMH 2091/2092, ASH 1044, EDF 2085, GEA 2001/2002, REL 2300, and SYG 1010. It is strongly recommended that one of these courses be completed before earning the AA degree.

SOPHOMORE YEAR

--- | --- | --- | ---
XXX XXXX | 4 | XXX XXXX | ELECTIVE | 3
ACG 2021 | 3 | ACG 2071 | Intro to Managerial Accounting | 3
