This Associate in Science degree program prepares students for employment as recreation leaders, recreation supervisors, group recreation workers or recreation facility attendants.

This program would also be beneficial for persons previously or currently employed in the above mentioned occupations. Students who plan to pursue a bachelor's degree in physical education or recreation at a four-year college or university should fulfill the Associate in Arts degree requirements for the chosen transfer school.

For more information, please visit The Occupational Outlook Handbook website.

The courses listed on this plan are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.
