

This Associate in Science degree program is designed for individuals currently employed in the field of Criminal Justice, including Corrections and Law Enforcement. This Chipola program requires 66 hours to complete the degree. Students who articulate into a BS program may only receive credit for 64 hours.

Students that have completed the State of Florida, Law Enforcement Basic Recruit Training Program and have passed the state certification exam will receive 24 criminal justice elective credits toward this program. Students that have completed the Corrections Basic Recruit Training Program, and have passed the state certification exam will receive 18 criminal justice elective credits toward this program. The courses are treated like transfer credit. Students will not have the Workforce Development credit posted to their permanent record until they have completed 12 college credit semester hours, have earned a 2.0 GPA, and are currently enrolled at Chipola College. For degree completion, at least 25 percent of the college semester hours must be earned through instruction in the academic instruction of Chipola College. Interested applicants must initiate this process through Admissions and Records. Fees apply for the transfer process.

For more information, please visit the the following links in The Occupational Outlook Handbook: [Correctional Officers, Police/Detectives](#).

The courses listed on this plan are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.
