ACADEMIC PLAN: Associate in Arts Degree
Communication Disorders
with Certification in Education
Transfer Institution: Florida State University

Code 1128  Program Length  60 credits

Entrance Requirements

A minimum GPA of 3.0 is required to have your application reviewed for admission into this program. Admission is for the summer or fall semester only. If you plan to pursue public school teacher preparation, you must be formally admitted to teacher education. Applicants must present passing scores on the general knowledge section of the FTCE for admission to the College of Education. Completed applications including all transcripts from all colleges/universities attended must be received by the School of Communication by the first business day of February at 5:00 p.m.

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE ADMISSIONS REQUIREMENT. Students must achieve proficiency in a language other than English prior to graduation. The requirement may be fulfilled either by demonstrating proficiency at the intermediate (2200) level in a modern or classical language or at the advanced level in sign language (ASL 2160C). Students may satisfy this requirement by proficiency testing by course work. All courses taken to meet this requirement must be taken for a letter grade. If the additional foreign language is not taken before transfer, student will be required to take a placement test over the material covered in the first two years before being allowed to take additional foreign language. If the student does not pass, he/she may be denied admission into the program.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement during the FSU admissions process. If not, students should take SPC 2608 at Chipola to satisfy this requirement.

FSU requires basic computer proficiency. CGS 1060, CGS 1100, or EME 2040 will satisfy this requirement. Grade of "C" or higher required.

A master's degree is required for certification and licensure in either audiology or speech pathology; students should plan to continue in a graduate program.

FRESHMAN YEAR

ENC 1101  Communication Skills I  4  ENC 1102  Communication Skills II  4
