Since the catalog must be published well in advance of the beginning of each school year, it is not always possible to anticipate fee changes. If the fee schedule printed here has to be revised, every effort will be made to publicize the changes as far in advance as possible.

The Business Office is located in Room 135 of the Administration Building; call (850) 718-2204.

Fees

No registration will be complete until all fees and tuition have been paid in full and students have received their ID cards and proof of payment. It is the student's responsibility to alert the cashier of any scholarship or financial aid awards at time of registration. All students must go by the Cashier's Window. Students who are scholarship holders will be considered as having paid all fees and tuition, provided the amount of the scholarship covers all charges due. No faculty or staff member of the college, other than the president, has the authority to set aside this regulation.

For the definition of Florida Residency, see page 47.

VISA and MasterCard are accepted at the Cashier's Window.

Textbooks and Supplies
The cost per school year depends upon the program of study. For most academic students the total should not exceed $375 per semester. For Workforce Development students the costs vary with the program, depending upon whether or not specialized clothing and tools are required. Except for programs requiring specialized clothing, uniforms, the total costs for textbooks and supplies should not exceed $650 per school year.
Summary of Costs

Student costs shown in this catalog, including those estimated, are the minimum amounts necessary and are not to be construed as the total expenditure of a student attending Chipola Junior College.

For the day student who resides in the college district, the minimum estimated expenses, exclusive of room and board, transportation, and personal expenses, range from $1,825 to $2,200 per school year of two semesters. This does not include any allowances for clothing or incidental expenses.

Florida resident students who rent a room in Marianna should add $4,610 to $5,438 to the amounts estimated above for a total estimated expense of $6,435 to $7,638 per school year (or two semesters) for fees, room and board, textbooks and supplies. This does not include expenditures for clothing, transportation or incidental expenses.

Non-Florida residents should add out-of-state tuition to the estimates shown.

Florida Residency Requirements

For purposes of assessing fees, a Florida resident is defined as a person who shall have resided in, and has his or her habitation, domicile, home and permanent abode in the State of Florida for at least twelve months immediately preceding his/her current registration. In applying this regulation the following will be observed:

a. “Applicant” means a student applying for admission to Chipola Junior College.

b. In all applications for admission by students as citizens of the state, the applicant, if married or 18 years of age, or if a minor, his parents or legal guardian, will make and file with such application a written statement under oath that such applicant is a bona fide citizen and resident of the state and entitled as such to admission upon the terms and conditions prescribed for citizens and residents of the state.

c. The burden of proof is on the applicant. An applicant can change his or her place of residence from another state to the State of Florida only by physically coming into the state and establishing a residence with the intention of permanently residing within the state. The domicile or legal residence of the wife is that of the husband, or the domicile or legal residence of the husband is that of the wife as determined by the couple and duly expressed in writing. The legal residence of a minor is that of the parents, parent, or legal guardian of his or her person.

d. A non-Florida resident may apply in writing for reclassification prior to any subsequent registration under the provisions set forth below. To qualify for reclassification as a Florida resident, a person (or, if a minor, his parents or legal guardian) shall have resided in Florida for twelve months and, if applicable, must present United States immigration and naturalization certification that he or she is a resident alien. If the application is supported by evidence satisfactory to the community college that the student qualifies as a Florida resident, then his or her classification will be changed for future registrations.

e. The following categories will be treated as Florida residents for tuition purposes:

1. Active duty United States military personnel stationed in Florida, their spouses, and their dependent children.
2. Public school, public college, and full-time employees classified as instructional or administrative, their spouses, and their dependents.
3. Latin American and Caribbean full-time students on federal or state scholarships.

In addition to any other penalties which may be imposed, the college may deny credits for work done by the student at the college if it finds that the applicant has made false or fraudulent statements regarding residency in his or her application or accompanying documents or statements.
