Student Rights, Responsibilities, and Code of Conduct

Preamble

Chipola College exists for the open interchange of knowledge and philosophies, the development of a capacity for critical judgment, and the creation of an atmosphere conducive to the gaining of practical experience in our community. The institution has a responsibility to develop policies and procedures which encourage the broadest possible participation of the campus community.

A student is, first, a citizen of the nation and is entitled to its freedoms and benefits, as well as being responsible for compliance with its laws and regulations - local, state, and national.

When students are admitted to Chipola they are subject to the jurisdiction of the college during their enrollment. As members of the college community, students are expected to act responsibly in all areas of personal and social conduct. In order for students to live in harmony with others in the college setting, they must recognize that their actions reflect upon the total student body and upon the college, as well as upon themselves personally. Each student, by registering, pledges to accept and obey the rules and regulations of the college. Students are responsible for the observance of all board policies and procedures as published in the College Catalog and other college information bulletins. Violations of any of these rules may lead to disciplinary action in accordance with prescribed procedures for the handling of disciplinary cases.

 Freedoms

Freedom of Access to Higher Learning—Within the limits of its facilities, Chipola College is open to all persons who are qualified according to its admissions and good standing policies. Under no circumstances will a U.S. citizen be barred from admission to the college on the basis of sex, race, creed, national origin or disability. It is the responsibility of the college to make available the criteria it shall use in evaluating student success in all programs. It is the responsibility of the students to avail themselves of the knowledge of these objectives and criteria as published and set forth by the college. The facilities and services of the college will be open to all enrolled students provided facilities are used in a manner appropriate to the academic community and in compliance with college policies.

Freedom of Inquiry and Expression—Students and student organizations are free to examine and to discuss all questions of interest to them and to express opinions publicly and privately. They are free to support by orderly, peaceful, and acceptable means those causes which do not disrupt the regular and essential operations of the college.

Freedom of Assembly—The education of students can never be limited to what takes place in a classroom. It is necessary for them, from time to time, to have the privilege of availing themselves of the stimulation that visiting speakers can afford. In order for such speakers to be invited to the campus, certain rules must be met by the inviting person or persons. Any speaker, entertainer, consultant, or other person(s) not employed by the college or enrolled in the college, invited or uninvited to the campus for the purpose of addressing, entertaining, consulting, or otherwise contacting any group of students, faculty, or other employees of Chipola College, must have the approval of the president of the college or his designated representative. The approval or disapproval shall be obtained from the president or his designee upon written request. If the person is invited by any college organization, the organization shall secure approval for the visit. If the person or persons desire to come on campus uninvited, then it will be the responsibility of the person or persons to secure the approval or disapproval of the president or his designee.

The institutional control of campus facilities will not be used as a device of censorship. In cases involving a reasonable prediction of disruptions on the campus, because of the controversial nature of a speaker or the speaker’s subject, or both, an invitation may be withheld. It is the responsibility of the persons who invite outside speakers to make it clear to the academic and larger community that all views expressed are not those of the students, faculty, or employees of Chipola College.

Freedom in the Classroom—Instructors in the classroom and in conference will encourage free discussion, inquiry, and expression where relevant and appropriate to the educational objectives of the course. Student grades are based on academic achievement and not on opinions expressed by students in or outside of class.

Protection of Freedom of Expression—Students are free to take reasonable exception to the data or views offered in any course of study and to reserve judgment about matters of opinion; however, they are responsible for learning the content of any course of study for which they are enrolled.

Protection Against Improper Disclosure—Information about student views, beliefs, and political associations which instructors acquire in the course of their work as instructors, advisors, and counselors is considered confidential.

Freedom of Religion—Chipola College will reasonably accommodate the religious observance, practice, and belief of individual students in regard to admissions, class attendance, and the scheduling of examinations and work assignments.

Students will give their instructors a reasonable notice of at least one week prior to an intended religious observance and will make up any required work, including tests, within one week of the absence.

Students who believe that they have been unreasonably denied an educational benefit due to their religious beliefs or practices may seek redress through the Student Grievance Policy as outlined in this catalog.

No adverse or prejudicial effects shall result to any students availing themselves of the provisions of this policy.
Freedom of Privacy—Students have the same rights of privacy as any other citizen and surrender none of those rights by becoming members of the academic community. Those rights of privacy extend to residence hall living. Nothing in the Chipola College relationship or residence hall contract may either express, imply or give Chipola College or residence hall officials authority to a search of a student’s room by police or government without a search warrant.

Chipola officials may conduct a search of a student’s room in the residence hall to determine compliance with federal, state, and local criminal law where there is probable cause to believe that a violation has occurred or is taking place. “Probable cause” exists when the facts and circumstances within the knowledge of college officials are sufficient in themselves to warrant the belief that an offense has been or is being committed. Entry may be made into a residence hall room without notice in emergencies where there is reasonable fear of imminent danger to life, safety, health, or property.

Confidentiality of Student Records

The privacy and confidentiality of all student records shall be preserved. Official student records, supporting documents, and other student files shall be accessed only by members of the college staff employed for that purpose.

Regulations of the State Board of Education prescribe the content and custody of limited access records which a community college may maintain on its students.

Florida Statute 1002.22 states that health and medical records involved with personal counseling, required student and family financial income records, transcripts or student permanent academic records, and student placement records shall be open to inspection only by the students, the eligible parents/guardian of the students, and such members of the professional staff of the college as have responsibility for working with the students.

Academic Honor Code

Students are expected to uphold the Academic Honor Code. Chipola College’s Honor Code is based on the premise that each student has the responsibility to (1) uphold the highest standards of academic honesty in his/her own work; (2) refuse to tolerate academic dishonesty in the college community; and (3) foster a high sense of honor and social responsibility on the part of students.

Discipline

Chipola College has the right and the duty to protect its educational purposes and its students through the reasonable regulation of student conduct and the use of the institution’s facilities. In order to accomplish this goal, the college finds it necessary to set forth the following regulations which require student compliance for the welfare of the college community.

Students who are alleged to have violated one or more of the regulations stated in the Catalog may be charged with the violation(s) in accordance with Chipola College Disciplinary Procedures. Due process and proper procedural safeguards will be observed to insure that student rights are protected.

The standards of conduct, together with the jurisdictions of faculty-student judicial bodies, the disciplinary responsibilities of institutional officials, and the regular disciplinary procedures, including the student’s right to appeal a decision, are clearly communicated in this Catalog.

Academic Honor Code—Violations & Consequences

The conduct set forth hereinafter constitutes academic dishonesty; those adjudged to have committed such conduct shall be subject to discipline, up to dismissal.

Cheating is the improper taking or tendering of any information or material which shall be used to determine academic credit. Taking of information includes, but is not limited to, copying graded homework assignments from another student; working together with another individual(s) on a take-home test or homework when not specifically permitted by the instructor; looking or attempting to look at another student’s paper during an examination and; looking or attempting to look at text or notes during an examination when not permitted. Tendering of information includes, but is not limited to, giving your work to another student to be used or copied; giving someone answers to exam questions either when the exam is being given or after having taken an exam; giving or selling a term paper or other written materials to another student; sharing information on a graded assignment.

Plagiarism is the attempt to represent the work of another as the product of one’s own thought, whether the other’s work is published or unpublished, or simply the work of a fellow student. Plagiarism includes, but is not limited to, quoting oral or written materials without citation on an exam, term paper, homework, or other written materials or oral presentations for an academic requirement; submitting a paper which was purchased from a term paper service as your own work; submitting anyone else’s paper as your own work.

Bribery is the offering, giving, receiving, or soliciting of any materials, items or services of value to gain academic advantage for yourself or another.

Misrepresentation is any act or omission with intent to deceive an instructor for academic advantage. Misrepresentation includes using computer programs generated by another and handing it in as your own work unless expressly allowed by the instructor; lying to an instructor to increase your grade; lying or misrepresenting facts when confronted with an allegation of academic dishonesty.

Conspiracy is the planning or acting with one or more persons to commit any form of academic dishonesty to gain academic advantage for yourself or another.

Fabrication is the use of invented or fabricated information, or the falsification of research or other finding with the intent to deceive for academic professional advantage.

Any student who observes or learns of another student’s academic dishonesty should report this violation to the instructor in whose class it has taken place. A student who shall have assisted in the forms of dishonesty mentioned above shall be considered equally guilty as the student who accepts such assistance.

When a student is alleged to have committed academic dishonesty, the faculty member involved should meet with the student and attempt to resolve the issue. The faculty member may request
that the department chair or appropriate College administrator attend this meeting as a witness. The faculty member may impose the sanction of a Reduced or Failing Grade on the disputed assignment and at the instructor’s discretion, the student may be required to fulfill an appropriate educational assignment if the faculty member believes the violation would be a first offense and no circumstances require the imposition of a sanction other than Reduced or Failing Grade and a discretionary Education assignment and; the student and faculty member reach a written agreement as to the sanctions. The student’s agreement to a sanction shall constitute a waiver of all other available adjudicatory procedures or appeals. The faculty member shall retain a copy of the agreement.

The Vice-President of Instructional and Student Services may assist the faculty member and the student in reaching an acceptable agreement. If no agreement is reached, the Vice-President shall proceed to handle the alleged violation as a disciplinary matter by reporting the student to the Dean of Student Services for the appropriate disciplinary action.

**Complicity**

A student present during the commission of an act by another student which constitutes a violation of college policy may also be charged if his/her subsequent behavior constitutes permission or approval of the violation. Students witnessing any act(s) which constitute(s) violation of college policy are required to report such incidents to the proper authorities. Confidentiality of the identity of students reporting violations will be maintained as it is not the intent of the college to burden innocent witnesses.

Gambling in any form is prohibited on college property, including College vehicles used for transportation.

Harassment

Chipola College is committed to maintaining a supportive educational environment for all members of the college community. The Board will not tolerate harassment activity by any of its employees, non-employee volunteers who work subject to control of school authorities, and/or other third parties. A key component of this commitment is the elimination of disability, racial, and ethnic harassment on campus. Harassment of any nature is prohibited whether it is sexual, racial, disability, or based on national origin. Harassment is a form of discrimination and is conduct unbecoming of a college employee or student. Note: This policy (6Hx4.421) also applies to employment applicants and prospective students.

Illegal Drugs and Narcotics

Chipola College has Drug Free Campus Policy and Program (6Hx4-3.370 & 6Hx4-4.280). The major objectives of Chipola College involve providing educational opportunities that develop the personal educational and aesthetic capabilities of individuals so they may achieve self-fulfillment and participate fully and positively in society. No student can realize his or her full potential without maintaining optimum mental and physical health. Both mental and physical health are severely impaired by drug and alcohol abuse. The Drug-Free Campus Program of Chipola College is outlined as follows:

Standards of Conduct—Chipola College prohibits the unlawful possession, use or distribution of illicit drugs and possession or use of alcohol by all students and employees on school premises or as part of any of its activities. Compliance with this policy is mandatory for all students of Chipola College.

Health Risks—Alcohol and illicit drugs can have a pronounced detrimental effect on the health and welfare of users and those with whom users come in contact. Most cause psychological and physical dependence. Others affect the central nervous system to such an extent that they cause users to be dangerous to themselves and those around them. All illicit drugs cause obvious social and behavioral problems.
Institutional Penalties—The minimum penalty for illegal possession of illicit drugs shall be probation or suspension, depending upon the substance abused, as identified in Schedules I-V of Chapter 893.02 of the Florida Statutes.

Students, faculty members, career services personnel, administrators, and other employees are responsible, as citizens, for knowing about and complying with the provisions of Florida law that make it a crime to possess, sell, deliver, or manufacture those drugs designated collectively as “controlled substances” in Chapter 893, Sections .035, .0356 of Florida Statutes. Any violation of this policy may result in discipline up to and including dismissal and referral for prosecution.

Possession, sale, or consumption of alcoholic beverages on campus, or at off-campus college-sponsored activities is prohibited. Students found to be in violation of this college policy (6Hx4-3.370 and 6Hx4-4.280) will be subject to penalties under the provisions indicated in the Catalog.

Legal Sanctions—Students will be subject to all the penalties prescribed by applicable Florida Statutes.

See IMM #29, Chipola College Network, Internet, and Lab Use Acceptable Use Procedure, for detailed information concerning responsibilities and penalties.

Misuse of Emergency Equipment

Fire escapes, ground level fire doors, fire hoses, fire extinguishers, and alarm equipment are to be used only in emergencies. Tampering with, or misuse of, these emergency devices, or blocking of fire exits or other means of impeding traffic, is prohibited.

Parking

Students are required to park in student-designated spaces only and to display a current parking decal on their vehicles. Parking decals may be obtained at the Cashier’s Window located in the Business Office. Failure to do so may result in a citation and fine as well as disciplinary action. Grades may be withheld until all fines are paid. There are designated handicapped parking spaces in each parking lot on campus. It is a violation for non-handicapped students to park in these spaces.

Parking Permit—Students are required to display parking decals on their vehicles if they wish to park on campus. The parking decal must be displayed on the left side of the back windshield of automobiles and in a visible spot on motorcycles.

Parking Areas—Restricted campus parking areas are as follows:

- Blue: Restricted for handicapped access

Traffic and Parking Violations—All parking regulations are in effect from 7:00 a.m. until 4:00 p.m. daily, Monday through Friday. Students may park in the green staff parking areas after 4:00 p.m. daily and on weekends and holidays. Parking in handicapped areas, no parking areas, and around fire hydrants remain restricted parking at all times. Penalties will be imposed for the following violations:

1. Parking in restricted area.
2. Parking in handicapped zone.

4. Improper parking.
5. Parking in visitor space.
6. Blocking crosswalk or driveway.

Pets

Seeing-eye dogs are permitted on the campus, but no other pets or animals of any kind are permitted on the campus or in Residence Hall apartments.

Possession of Weapons, Firearms, Fireworks, Explosives

Weapons are defined as firearms, knives, explosives, inflammable materials, or any other item that may cause bodily injury or damage to property. The possession or use of any firearm, weapon and/or ammunition on campus, which includes the Residence Hall and any apartment or other room located within its confines, is a violation of State and local laws. Possession is also defined as
including possession within the student’s vehicle while parked on

 including federal laws and is a violation of the rules and regulations of the

 campus or at any off-campus site where students are officially rep

 resenting the College, such as student clinical or intern experiences

 at hospitals, nursing homes, schools, etc., or as a participant in

 officially sponsored college activities.

 Violators will face disciplinary action, including loss of hous

 ing privileges, loss of scholarship, and dismissal from school, as

 well as any penalties imposed by Federal and State laws.

 No person shall possess or carry a firearm on College pro

 perty except municipal, county, state, and federal law enforce

 ment officers either on or off duty and except students at the Chipola

 College firing range. When said law enforcement officers are not

 in uniform and carry an exposed firearm on their person, they shall

 be required to display their officially issued badge, shield or iden

 tification tag while participating as a student or instructor in the

 Criminal Justice program. Any registered student licensed to carry

 concealed weapons or firearms as authorized by Florida Statute

 790.06, must register and receive written permission from the Presi

 dent or his designee to carry an authorized weapon on College prop

 erty. Said weapons shall be limited to a stun gun or non lethal

 electric weapon or device solely designed for defensive purposes

 and the weapon does not fire a dart or projectile and shall be con

 cealed at all times.

 Public Laws

 Any act by a student that occurs on campus and constitutes a

 charge of violation of a public law may establish cause for legal

 and/or disciplinary action by the college.

 Recognition of Student Groups

 Established recognition procedures must be met and approved

 by the administration of the college in order for any group to be

 classified as a student organization. See “Procedure for Establish

 ing a New Organization,” in the Campus Organization Manual,

 available from the Student Activities Office.

 Residence Hall Regulations

 It is expected that students residing in the Residence Hall

 will cooperate with college officials and with each other in main

 taining a routine of living conducive to study and to wholesome

 college life. All students are reminded that they are also subject to

 and will be held responsible for all rules and regulations as pub

 lished in this document and in other college publications, includ

 ing announcements on bulletin boards.

 A copy of the Residence Hall Regulations will be given to

 each student and must be read and signed by the student (and by

 the student’s parents if the student is under age 18) prior to occu

 pancy of a Residence Hall room. The student’s signature signifies

 that he/she understands and will abide by these regulations.

 Search and Seizure

 Students have the same rights of privacy as any other citizen

 and surrender none of those rights by becoming members of the

 academic community. See “Freedom of Privacy.”

 Sexual Harassment

 It is the policy that no member of the college community may

 sexually harass another. Any employee or student will be subject to

 the appropriate disciplinary action for violation of this policy

 (6Hx4-4.420). Sexual harassment is illegal under both state and

 federal laws and is a violation of the rules and regulations of the

 College. Sexual harassment should not be tolerated by any mem

 ber of the college community, and any action should be reported.

 The college is equally opposed to bad faith claims of sexual

 harassment which have no rational basis in fact and are deliberate

 ally designed to adversely affect the employment or personal rel

ationships of persons against whom the complaint is made.

 Smoking

 Smoking is prohibited in all buildings on campus.

 Theft, Unauthorized Possession

 and/or Sale of Property

 Students involved in theft, unauthorized possession, and/or

 sale of property not belonging to them are subject to college disci

 plinary action as well as the arrest and prosecution by legal au

 thorities.

 Unauthorized Use of Facilities

 The unauthorized use of, or entry into, any college facility

 (i.e. classrooms, athletic fields), whether by force or not, is prohib

 ited.

 Use of Vehicles

 Riding of bicycles in hallways, in buildings or on sidewalks

 is prohibited. Motorized vehicles, except wheelchairs or mobility

 scooters, are prohibited in areas other than designated roadways

 and parking lots. Mopeds are considered in the same category as

 bicycles. Roller skating or skateboarding is prohibited on the cam

 pus in any location at all times.

 Violation of Probation

 A student who is alleged to have violated the Code of Con

 duct while on disciplinary probation may be charged with the sepa

 rate offense of violating disciplinary probation.

 Disciplinary Procedures

 Reporting of Violations

 Any administrative official, faculty member, or student may

 file charges through the Dean of Student Services against any stu

 dent for an alleged violation of the Student Code of Conduct, Rights

 and Responsibilities.

 Pending charges, the status of the student will not be denied,

 nor his right to be present on the campus and to attend classes,

 except for reasons relating to his/her physical and emotional safety

 and well-being, or for reasons relating to the safety and well-being

 of the students, faculty, or college property, or for other reasons as

 discussed elsewhere in the Student Code of Conduct, Rights and

 Responsibilities. Any person may be suspended immediately by

 the president of the college or his duly-appointed representative if

 it is deemed that the student’s actions have been of such a nature

 that they endangered the safety and well-being of persons affili

 ated with the college. However, any individual suspended under

 this emergency measure otherwise retains his rights of due pro

 cess, including the right to a hearing by the College Disciplinary

 Committee.

 Administration of Discipline

 The administration of discipline will guarantee procedural

 fairness and due process to an accused student. Practices in disci

 plinary cases may vary in formality with the gravity of the offense

 and the sanctions which may be applied. Each particular case will
be judged by its own merits. The jurisdiction of faculty/students, the disciplinary responsibilities of the institutional officials, and the disciplinary procedures, including the student’s rights to appeal a decision, shall be executed as set forth in college policy. In all situations, procedural fair play requires that the student be informed of the nature of the charges, and that a fair opportunity to refute them be given, that the accuser be identified if practical, and that there be provisions for appeal of a decision.

In cases in which there are alleged violations of the conduct provisions outlined in the Student Code of Conduct, Rights and Responsibilities, students have the right to a hearing before the College Disciplinary Committee.

However, in cases involving less serious infractions not likely to result in final disciplinary probation, suspension, or expulsion, the Dean of Student Services has the primary responsibility for the administration of student discipline.

If the Dean of Student Services believes, after review and investigation of the charges, that the charges have merit, the dean will schedule an appointment with the student for an information session. At this session the dean will explain to the student:

1. The disciplinary procedures as printed in the Student Code of Conduct, Rights and Responsibilities, including information relevant to the student’s rights, hearing procedures, and sanctions.

2. The charge(s) and the information which the dean has obtained pertinent to the charge(s). The student will have the opportunity to respond to this information.

In cases involving less serious infractions (not likely to lead to final disciplinary probation, suspension, or expulsion), the dean may then state what sanction(s), if any, are appropriate for the violation. The Dean of Student Services may schedule a second meeting for this purpose.

While the Dean of Student Services will always attempt to resolve cases involving less serious infractions at this level, the dean, at his/her discretion, may decline to rule on the case and may elect to refer the case to the College Disciplinary Committee.

Furthermore, as each disciplinary problem has unique characteristics which are often unforeseeable and thus cannot be adequately planned for, the Dean of Student Services, at his/her discretion and in keeping with the spirit of fairness and due process, may, without prior written notice, alter any of the policies and procedures contained in the Student Code of Conduct, Rights and Responsibilities, in order to best expedite the handling of any particular case.

Other college personnel, including the chairman of the College Disciplinary Committee, also may use discretion in performing flexibly within the guidelines stated in the Student Code of Conduct, Rights and Responsibilities. In all cases, deviation from the guidelines stated will be in the interest of fairness and/or the effective handling of a case or cases.

**Disciplinary Options**

Once the dean has stated the sanction the student will choose one of the following options:

1. To accept the decision of the Dean of Student Services. In such a case, the student will sign a statement waiving both his/her right to a hearing and his right to appeal the decision.

2. To have a formal hearing before the College Disciplinary Committee.

**Disciplinary Committee Request**

In cases in which the student has chosen option two above, or in cases involving more serious infractions possibly resulting in final disciplinary probation, suspension, or expulsion, the Dean of Student Services will schedule a College Disciplinary Hearing. The time set for the hearing shall be not less than forty-eight hours or more than ten school days after the informational meeting.

If the student cannot be contacted or fails to attend the information session, the Dean of Student Services may set a time for a hearing on the charge(s) and will attempt to communicate the time for the hearing to the student through normal and reasonable college and non-college communication channels. If, after three attempts, the student cannot be reached, the Dean will send a certified letter, return receipt requested, to the current address provided by the student.

It is the student’s responsibility to attend the hearing of the College Disciplinary Committee. If the student has been informed and does not attend; or if the Dean of Student Services, after having made reasonable attempts, including certified letter, to contact the student, has failed; the hearing will proceed without the student.

It is the student’s responsibility to see that his/her witness or witnesses appear at the hearing. Failure of the student’s witness(es) to attend shall not be grounds for a postponement of a hearing.

**College Disciplinary Committee**

This committee consists of faculty, career service and administrative personnel appointed by the Governance Council and approved by the President of the college and student(s) selected by the Student Government Association and approved by the President.

The Disciplinary Committee chairman will preside over the hearing. The chairman is charged with the responsibility for maintaining proper decorum and order, and may exclude any person who, in the chairman’s opinion, has no legitimate interest in the hearing or whose conduct impedes or threatens to impede a fair and orderly hearing.

Each committee member shall have one vote. The chairman will vote only in the event of a tie vote.

No member of the disciplinary committee, who has a personal interest in a particular case other than through his assigned duties, should sit in judgment during the proceedings.

If a student challenges a committee member for cause or if it is felt there may be a conflict of interest, the chairman shall have the right to excuse for cause any faculty or student member of the committee at any time, either upon the chairman’s own initiative or at the request of the college or the charged student.

**Disciplinary Committee Hearings**

The recommended form for a committee hearing is as follows. The chairman may use his discretion in ordering hearings:

1. Introduction of participants.
2. Reading of charges.
3. Explanation to the charged student(s) of the manner in which the hearing will be conducted and how a decision in the case will be reached, and to apprise the student of his/her responsibility to be truthful in his/her testimony and in the presentation of witnesses.

4. Dean of Student Services summary of findings resulting from his/her investigation.

5. Student’s response to charges and findings.

6. Introduction of written evidence and testimony of witnesses with questions from committee and student(s) charged.

7. Questioning of the charged student(s) by the committee.

8. Closing statements.

The following hearing procedures satisfy the requirements of “due process”:

1. The accused student has the right to be assisted by an adviser of their choice, at their own expense. The adviser may be an attorney. The accused is responsible for presenting his/her own case and, therefore, advisers are not permitted to speak or participate directly in any hearing before a judicial body. If an adviser is to be present at the hearing, the student must notify the Dean of Student Services at least two days prior to the hearing.

2. The burden of proof will rest upon the person or persons bringing the charge.

3. The student will be considered innocent until the appropriate hearing body determines otherwise beyond a reasonable doubt.

4. The student will have the right to testify and to present evidence and witnesses. The student will have the right to examine evidence and to hear and question all witnesses during the hearing only.

5. The committee will insure, to the maximum extent possible, that all questions asked and information offered are relevant to the question of guilt or innocence.

6. All matters upon which the decision may be based must be introduced into evidence at the proceedings before the Disciplinary Committee. The decision will be based solely upon such matters.

At the conclusion of the fact-finding portion of the hearing participants will be excused and, in a closed session, a decision will be rendered on the guilt or innocence of the student. If the accused student admits guilt during the fact-finding portion of the hearing, the committee will immediately go into the penalty-recommending portion of the hearing.

A tape recording shall be made of all hearings, including the evidence presented and the recommendation of the Disciplinary Committee. The committee’s discussion of the evidence prior to its rendering a recommendation is not required to be recorded. The College will keep a copy of the tape which will be made available to the student in the event of an appeal. Accidental recording losses due to technical problems shall in no way invalidate the committee’s recommendation.

**Appeal Procedure**

Recommendations of the Disciplinary Committee are reviewed by the president. After reviewing the committee’s recommendations, the president makes the final decision on whatever action is to be taken.

**Sanctions (Punishment)**

With the exception of the warning (which, as indicated below, may be imposed without the establishment of student guilt), the following sanctions may be imposed upon students found guilty of violation of the policies in the Student Code of Conduct, Rights and Responsibilities.

These sanctions may be imposed by (1) the Dean of Student Services, or (2) the President of the College, who may act on the basis of a recommendation of the College Disciplinary Committee.

1. Warning—Notice, orally or in writing, warning the student to refrain from violations of the Student Code of Conduct, Rights and Responsibilities. Clear establishment of student guilt or previous violation of the Student Code of Conduct, Rights and Responsibilities is not necessary for a warning to be issued.

2. Censure—A written reprimand for violation of specified regulations, including the possibility of more severe disciplinary sanctions in the event of the finding of a violation of any institution regulation within a stated period of time.

3. Restriction or Revocation of Privileges—Temporary or permanent loss of privileges, including, but not limited to, the use of a particular college facility or parking privileges.

4. Restitution—Reimbursement for damage to, or misappropriation of, property of the college, students, staff, or others on campus. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damages as directed by the Dean of Student Services.

5. Disciplinary Probation—A disciplinary sanction serving notice to a student that his/her behavior is in serious violation of college standards and that continued enrollment depends upon the maintenance of satisfactory citizenship during the period of probation. A time period is indicated for this probation. Students will be released from the Disciplinary Probation status after the specified time period has elapsed.

6. Final Disciplinary Probation—A disciplinary sanction serving notice to a student that his/her behavior is in flagrant violation of college standards and one of the following conditions exists:

a. The sanction is the remainder of the student’s attendance at the college.

b. Another conviction of a violation of the Student Code of Conduct, Rights and Responsibilities will result in the imposition of the minimum sanction of suspension.

7. Suspension—Mandatory separation from the college for a period of time as specified in the order of suspension. A student who has been suspended is barred from attending or enrolling in any classes at Chipola College during the suspension. Students may reenroll at the college when the suspension order has elapsed.

8. Expulsion—Mandatory separation from the college with no promise of future readmission. An application for readmission will not be considered until such time has elapsed as specified in the order of dismissal. Readmission is subject to the approval of the administration of the college.
**Student Grievance Procedure**

A grievance policy is developed in order to protect the rights of Chipola College students. Every effort will be made to resolve each grievance through the informal route. If the informal route is not sufficient, then the formal route will be taken. If a student grievance is to be considered a “formal grievance,” it must be submitted in writing, signed and dated by the student, and presented to the Dean of Student Services.

1. **Informal** – It is understood that the informal route outlined below will be without the use of a secretary, minutes or any recording device. In the event that a student or group of students believes there is a basis for a grievance the following should apply:
   
   - **A. Informally discuss the grievance with respondent concerned within two weeks**
   
   - **B. If the grievance is unresolved, within one calendar week the student should informally discuss the grievance with the College administrator who directly supervises the respondent.**

   - **C. If the grievance is still unresolved, within one calendar week, the student should carry the matter, still on an informal basis, to the Dean of Student Services.**

2. **Formal** – If, as a result of informal discussion, the grievance is still unresolved, the student or group of students may invoke a formal grievance procedure by outlining the grievance in writing as prescribed above. Two copies of the grievance, signed and dated by the student, shall be filed with the Dean of Student Services. The respondent will be given a copy of the grievance and may respond in writing or by personally appearing at the hearing.

   Within one calendar week of the receipt of the formal grievance, the Dean of Student Services shall transmit the grievance to the Appeals/Grievance Committee. The committee shall, within two calendar weeks of receipt of the grievance, hold a hearing on the grievance. The student will receive notification at least five days in advance of the hearing, and should appear at the hearing to present information. The student has the right to be assisted by an adviser of their choice, at their own expense. The adviser may be an attorney. The student is responsible for presenting his/her own case, and therefore, advisers are not permitted to speak or participate directly in the grievance hearing.

   Within one calendar week of the end of the formal hearing the Appeals/Grievance Committee shall indicate its recommendation with regard to the disposition of the grievance, in writing, to the President.

   The President may approve, disapprove, or amend the committee’s recommendation. If the President approves the disposition of the grievance as recommended by the Appeals/Grievance Committee, he shall, within one week of the date of delivery of the recommendation, so state, in writing, to the Dean of Student Services with a copy to the Chairman of the Appeals/Grievance Committee. If the President rejects or disapproves the recommendation, he shall, within one calendar week so notify the Dean of Student Services, with a copy to the Chairman of the Committee.

   The Dean of Student Services shall administer the decision of the President, including communication of the decision to the aggrieved and to the respondent.

   No reprisals of any kind shall be taken against any student for participating in any grievance. Any student under expulsion or suspension who files a grievance related to the expulsion or suspension and whose grievance is resolved in favor of the student shall be restored to the former student status. A grievance may be withdrawn at any level by the student filing the grievance. All documents, forms, communications, and records dealing with a grievance shall be filed separately from the permanent record files of the participants. A copy of the formal grievance and its final disposition will be filed in the office of the Dean of Student Services.

   Faculty members assign a student’s final grade in each class at the end of each session (semester). Only a student may request a review of his/her grades(s) for a possible grade change. Such a request must be made to the faculty member involved. A student has ten school days from the time the final grade is posted on the FACTS (Florida Academic Counseling & Tracking for Students) system, to initiate a grade appeal. After the ten day period, the student loses the right to file an appeal and no other administrative remedy or option is available. For further information contact the Dean of Student Services.

**Student Activities Policies**

Student activities provide the opportunity for students to learn responsible citizenship, and they serve to complement the academic programs of the college. A variety of clubs and organizations are operated under the jurisdiction of the Student Government Association and are supervised by the Student Activities Coordinator. At times specific activities sponsored by clubs and organizations may be limited to Chipola students and their invited guest(s).

**Student I.D. and Activity Cards**

Chipola students will be issued an I.D. card after their tuition has been paid upon initial registration. The Cashier will validate the card during each succeeding registration by placing a special sticker on the back of the I.D. card. This card must be carried at all times for identification and will be the only means to gain free admission to many college-sponsored activities, to check books out of the library, to use the Information Technology Center, and to receive financial aid checks.

**Activity Approval**

Any club or organization desiring to hold a meeting or sponsor an activity on the campus must clear a time and place on the Chipola College Calendar and secure approval forms from the Student Activities Office. Activity approval forms must be completed and submitted to the Student Activities Office not less than two weeks in advance of the date the function is to be held.

**Activity Period**

The 10:00-10:50 a.m. time block on Wednesday and Friday is set aside for students to attend activities scheduled by clubs, campus organizations, and intramural teams; however, some classes may be scheduled during this time.

**Grade Requirement**

To be eligible for office in any student organization, or for a place of leadership in any activity, a student must have a minimum cumulative GPA on his/her scholastic work and must maintain a
minimum cumulative GPA while in office. See the Campus Organization Manual and the SGA Constitution & By-Laws for specific GPA requirements. Copies are available in the Student Activities Office.

Organizations

Student Government Association Regulations

All clubs and organizations are operated under the jurisdiction of the SGA. All students enrolled at Chipola are members of the SGA and may, through their chosen representatives, have a voice in the curricular and extracurricular programs of the college. Student Government Association should serve the purpose of promoting a climate encouraging responsible participation and leadership in the college community. The SGA should also facilitate good relationships and understanding between the student body and the faculty and administration of Chipola College.

All students with a 2.5 or higher Grade Point Average are eligible to run for an SGA office or to serve the Association in an Executive position; Legislative and judicial positions require a 2.0 or higher Grade Point Average. Campaigns and voting are held twice a year to elect student body leaders, once in the fall and once in the spring.

The role of the Student Government Association shall be to provide students with the means to regulate student-sponsored activities, organizations and other matters properly subject to their jurisdiction.

Designation of certain SGA delegates, officers, committees, and boards shall be by student government vote only; others shall be appointed by the SGA President. All are subject to administrative or faculty approval. The college administration may, however, set up a uniform and reasonable system of scholastic eligibility requirements for major student offices.

On questions of educational and institutional policy, students are entitled to participatory function in the form of a voting member on specific committees under the following provisions:

1. Faculty-student committees shall be created to consider questions of policy affecting student life.
2. Students shall be nominated by the president of the SGA, recommended by the Student Activities Director, and approved by the president of the college as voting members of the Governance Council, as well as standing and special committees concerned with institutional policy affecting academic and student affairs.

**Conduct at Off-Campus Activities**

Students representing Chipola College at off-campus activities such as sporting events, dances, contests, conferences, etc., shall conduct themselves in such a manner so as not to bring discredit to the college. Reports of unacceptable conduct at such affairs shall be investigated and may result in disciplinary action. On college sponsored trips students should behave according to the following established guidelines.

1. Obey sponsor(s) at all times.

Academic and activity information may be submitted for publication in the bulletin with appropriate staff approval.

**Use of College Facilities**

College facilities shall be assigned to organizations, groups, and individuals within the college community for regular business meetings, for social programs and for programs open to the public, according to the following guidelines.

1. Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of the space assigned, to regulate time and use, and to insure proper maintenance.
2. Preference may be given to programs designed for audiences consisting primarily of members of the college community.
3. Allocation of space may be based on priority of requests and the demonstrated needs of the organization, group, or individual.
4. The president has delegated the assignment function to the Physical Plant office.
5. Charges may be imposed for any unusual costs for use of facilities.
6. Physical abuse of assigned facilities shall result in reasonable limitations on future allocation of space to offending parties and restitution for damage.
7. The individual, group, or organization requesting space must inform the college of the general purpose of any meeting open to persons other than members and the names of outside speakers.

**Procedure for Establishing a New Organization**

Student activities are regarded as part of the total educational program at the College in that they contribute to the academic, recreational, and cultural climate of the institution. It is for this reason that the college reserves the right to charter all organizations and requires that they function in accordance with their constitutions.

A group of students shall become an organization when formally recognized by the college. In order to be recognized a group must meet the following requirements:

1. Obtain a faculty sponsor approved by the president of the college.
2. Submit to the Student Activities Office a request form for establishing a new organization.
3. Submit a written formal constitution to the Student Activities Office, which in turn will be submitted to the Student Government Association.

This constitution will consist of the following:

a. Name of the organization
b. Purpose of the organization
c. Means of determining membership
d. Method by which the organization will be governed (officers, elections, terms of office, etc.)
e. Functioning procedures and methods by which decisions will be made
f. Source of revenue
4. After the constitution has been submitted to the Student Government Association and approved, it is subject to review by the Executive Council of the College.
5. The decision of the Executive Council shall in turn be presented to the president of the college. (If at any point the request is denied, the constitution may be revised and the process repeated.)
6. Recognition of an organization by Chipola College infers neither approval nor disapproval of the aims, objectives, and policies of the organization.
7. Any organization which engages in illegal activities, on or off campus, may have sanctions imposed against it, including withdrawal of institutional recognition. This organization may reapply for a charter after a period of one year.
8. Membership in all institution-related organizations, within the limits of their facilities, shall be open to any member of the institutional community who is willing to subscribe to the stated aims and meet the stated obligations of the organizations.
