“I appreciate more than I can say how much help was given to the paraprofessionals as we meekly re-entered school after so many years away. THANKS!”

2005 Graduating Student Survey

“I found the instructors to be very helpful and understanding. They made the fears that I had about returning to school fade away. It was great.”

2005 Graduating Student Survey

“I love the Chipola College educational system. I wish I could be here for all four years.”

2005 Graduating Student Survey

“During my two years at Chipola I found all the faculty and staff very supportive and helpful. The faculty and staff in the music department helped me get through my two years at Chipola, as well as, fully prepare me for my transfer to a University. Being in the Chipola Rock and Jazz ensemble allowed me to experience as well as play many different varieties of music. The experience I had at Chipola will always be with me.”

Jenny Parmer, Alumna
Music Major

“The teachers have been wonderful and extremely helpful. I have also enjoyed cheering for the basketball team and fans. Both have been extremely supportive.”

Jessica Crutchfield
2005 Graduate

“I was so excited when I heard about the science education degree at Chipola. I got my AA degree at Chipola and got to know my instructors well. I learn best in small classes when the instructors are also available to help me. I want to intern close to my home, so I can get a teaching job here.”
