**NOTICE REGARDING CHANGES TO POLICIES**

The provisions of this publication are not to be construed as a contract between the student and Chipola College. The College reserves the right to change any provision or requirement when such action becomes necessary. The student is advised to work closely with an advisor to verify the appropriateness of the courses for which to register.

The student is expected to be familiar with all rules and regulations of the College, including official announcements listed in the Class Schedule. The student will be held responsible for the observance of all rules and regulations.

**AN EQUAL ACCESS/EQUAL OPPORTUNITY INSTITUTION**

This publication is available in alternative format upon request.
Chipola provides excellent opportunities for its students

Over half a century ago, a few visionary educators and citizens dreamed of a new kind of higher education opportunity for the people of North Florida. Their dream became a reality with the creation of Chipola College.

In sixty-five years of continuous operation, the college has become known for its high academic standards, excellent teaching, small classes, reasonable fees, beautiful campus, and friendly hometown atmosphere.

Chipola was recently named a State College of Florida, one of Florida’s community colleges which offer both two-year and four-year degrees.

The one constant that has made Chipola great is its emphasis on excellence in academic and extracurricular programs. Chipola has a high percentage of full-time faculty. This provides small class sections with professional teachers who willingly work with individual students to help them succeed in their academic careers.

Chipola utilizes a Writing Center, Tech Center, and Academic Center for Excellence (ACE) with faculty and student tutors to help students outside of regular class time. Students also have Internet access in the college’s state-of-the-art computer labs. These services are available for the bachelor’s degree program, academic transfer program, and the occupational degree and certificate programs.

In addition to academic excellence, Chipola has established a center of excellence in the fine and performing arts. The arts program is recognized as outstanding through star-quality drama productions, instrumental music, show choir, chorus, and visual arts presentations.

Chipola’s athletic teams have a strong tradition of winning in men’s and women’s basketball, baseball, softball and women’s cross country. The college also supports a wide range of academic and extracurricular clubs and activities.

Chipola is understandably proud of its heritage and looks forward to continued success during its future as a state college.

Gene Prough, President
