PASSPORT TO SUMMER FUN

CLASSES AGES 5 - 8

American Girl Tea Party
You love her, she is your best friend, and you love showing her off. You will learn tea party etiquette, play American Girl games, and hear stories about all of the American Girl characters. We will have our very own American Girl Tea Party. Anne Mathis, first grade teacher at Cottondale Elementary will be your hostess.

Animal Planet
Do you want to learn more about all the fascinating creatures that live in our world? At each day we will meet a different animal. Your instructor Tracy Stevens, first grade teacher at Golson, will lead you on an exciting adventure into the world of animals.

Bugs Rule
Study a variety of insects. Find out about the creepy, crawly things we live with. You will play buggy games, read about bugs, and find out how important bugs are to us all. Your lead bug catcher will be Heidi Perkins, teacher at Chatahoochee Elementary.

Dinosaur Adventures
Dig up a prehistoric animal and put it together. Find out about living things that were here before us, what they ate, looked like, and how big they were. If you want to know more about the world of Dinosaurs, this is the class for you. Heather Stephens, third grade teacher at Grand Ridge will be your guide.

Itsy Bitsy Cheerleading
Cheers, chants and dance will be the fun things that you will do. If you like to jump high, dance, and yell out, this is the class for you. Head Cheer Coach will be Kristy Linton, a first grade teacher at Golson.

KidzArt
Art can be an exciting way for you to learn about your world. In this class we will paint, make collages, and explore all kinds of art. Wear clothes that you won’t mind getting messy. Artist in residence is Heather Stephens, third grade teacher at Grand Ridge.

Let Your Fingers Do the Talking
In this class you will learn to finger spell the alphabet and numbers as well as form complete sentences. Common hand signs will be used to introduce this interesting means of communication. Your finger-talking leader will be David McCormick.

Oceans of Fun
Do you love the ocean and want to learn about the creatures that live there? We will explore ocean life, paint a cool ocean picture and make a book about our adventure. Your diving instructor will be Tracy Stevens, first grade teacher at Golson.

Riding the Reading Rainbow
Do you want to be a star? Join the excitement of being a “star on stage.” You will be part of a stage production. This includes acting, singing, dancing costume design, and maybe building the set. Your theatre director will be Angelie White, choral director at Marriana High.

Splash Attack
It’s hot! Get ready to cool down while having fun. You will spend part of the session in the pool, and the other time will be spent playing water games, learning about water safety, and meeting new friends. Michelle Kent and Tim Skipper will be your Splash Attack instructors. “Lessons will only be offered in the morning session and free swim in the afternoon.

Stars On Stage Lights, Camera, Action… Do you want to be a star? Join in the excitement of being a “star on stage.” You will be part of a stage production. This includes acting, singing, dancing, costume design, and maybe building the set. Your theatre director will be Angelie White, choral director at Marriana High.

CLASSES AGES 9 - 12

Cool Stuff for Your Room
Personalize your bedroom with some artistic finishing touches. Make one of a kind switch plate, a collage for your wall, a unique picture frame and more. Your interior designer will be Jenny Parker, a fifth grade teacher at Sneads Elementary.

To the Moon and Beyond
Are you in a rocket to the moon. What would you see out the window on your trip? What would happen when you landed? Come join us while we find out. We’ll make a plaster moon crater, learn about gravity, create a comet, and study the stars along the way. Astronaut Heidi Perkins will guide you through space and beyond.

Two Bits, Four Bits
Want to learn the new and exciting moves in DRILL TEAM and POM POM DANCE? Like to cheer? Full of pep and energy? Learn high kicks, struts, cheerleading, and funky dance. Kristy Linton, teacher at Golson will be the captain of the KC Squad.

Wicked, Wacky, Weather
How does the weather change our world? What do we know about weather disasters like earth quakes, floods, tornadoes, blizzards and hurricanes? Join in with the Weather cafe! Kristy Linton, teacher at Golson will be the captain of the KC Squad.

Early Bird Drop-Off – This class is for kids that need to be dropped off early each morning. Drop-off times will be offered on SUMMER CAMPs beginning at 7 am each morning. There is a fee of $15 for this class. Meet us in the Art Center for Cartoon Connection.
