**Charles Lindbergh: The Lone Eagle**

Tuesday, November 9, 2010  7:00 p.m.  Chipola Theatre

“*The Lone Eagle*” was just one of many nicknames given to Charles Lindbergh by the press after he became the first pilot to fly nonstop from New York to Paris in May of 1927. This one-man play written and portrayed by Steve Carroll spans Lindbergh’s life as he returns from the grave to set the record straight about his life. We learn of his early barnstorming days, the famous flight to Paris, his son’s kidnapping, the unpopular stance he took against entering World War II, his subsequent heroism as a fighter pilot, and his final days as a world renowned environmentalist.

**Freddy Cole**

Monday, February 7, 2011  7:00 p.m.  Chipola Theatre

“Freddy Cole,” a Grammy nominee in his own right, makes no apology for sounding like his brother, Nat King Cole. And he stands shoulder to shoulder with today’s jazz greats: “warm, intimate, elegant come to mind with Freddy behind the piano and mic.” Freddy has what audiences seek and expect to see and hear on stages of such a master: personality, perfectly polished, smoky jazz! Master vocalist and pianist, Freddy Cole will captivate listeners with his warm presence, subtle phrasing, and world class jazz. He has been charming audiences in the States and abroad for over 40 years.

**Manhattan Piano Trio**

Thursday, March 17, 2011 7:00 p.m.  Chipola Theatre

Hailed by critics as “a grand departure from the usual” the Manhattan Piano Trio has become one of the most creative, exciting, and dynamic young ensembles in the United States. The Washington Post described the Trio as “impressive” and “outstanding” while the Sarasota Herald Tribune said “one seldom is privileged to enjoy music of such a wide range of styles performed with such self-effacing skill and relaxed assurance.” The Trio uses piano, violin and cello as their individual instruments of expression and listeners will experience the passion, joy, and harmony in their playing of Classical, Romantic and Contemporary music.
