This Associate in Science degree program prepares students for entry level in the field of nursing.

Entrance Requirements
This is a limited access, limited enrollment program; request a complete packet of information from the Health Sciences Department, phone 718-2316. All selected applicants are required to submit a completed FDLE background check and a drug screen.

*Upon completion of the first semester of nursing coursework, the student is CNA eligible.

**Upon completion of the first summer session of nursing coursework, the student is PN eligible.

For employment opportunities and other information, please visit The Occupational Outlook Handbook website.
