This Associate in Science degree program prepares students for employment as managers in a variety of business environments or for continued education beyond the Associate degree level.

Students who plan to pursue a bachelor's degree in business at another college or university should fulfill the AA degree requirements for the chosen transfer school.

For more information please visit The Occupational Outlook Handbook: Accounting; Administrative Service Managers; Accounting, Marketing, and Public Relations Managers; Agricultural Managers; Financial Managers; Food Service Managers; Industrial Production Managers; Health Service Managers; Human Resource Managers; Lodging Managers; Property Managers.

The courses listed on this plan are not to be construed as a contract between the student and Chipola or the University. Course requirements may change each year. You are encouraged to work closely with your advisor.
